Board Hears Miramonte Pool Design Unchanged

Acalanes High School District trustees, Monday officially issued a second call for bids for the Miramonte High School pool.

Original bids in the neighborhood of $90,000 were turned down by the board last month, "as too high."

The new call is for bids which will be opened in June.

According to a report by the district architect made to trustees and a committee of Orinda residents revised plans will not alter the original design.

THE ARCHITECT explained that the original bids were high because of an unforeseen soil condition at the site, not anticipated until specific plans had been developed for the plunge.

School trustees again commended the Orinda pool committee for their effort sto assist in building funds and expressed regret that the pool will not be installed and ready by early summer as originally hoped.

Work Education Program Selectees to be Named

Plans for the Orinda Work Education program are nearing completion, according to Mrs. Betty Chilton, director. Applicants have been interviewed and their aptitudes tested by the State Department of Employment.

Those selected after careful examination will be announced today.

The basic idea of the program is the exploration of future career choice through actual work education experience in the chosen field.

Great interest has been shown by men and women in the areas in which applicants have indicated a desire to have experience.

As a result, the program promises to be very successful.

The program has been implemented by a citizen's advisory committee composed of Mrs. Richard Leland, Dr. Paul Slattery, and Robert Callan, Clarence Dunn, Gordon Gibson, Robeson Smith, Miles Sutliffe, Robert Thaman and Ken White.

Jim Botto Wins Jaycee Annual Teen Road-E-O

Jim Botto won the annual Orinda Junior Chamber of Commerce Teen-age Road-E-O held at Miramonte High School last Saturday.

Jim will get an engraved trophy at the annual awards assembly in June.

Brian Collins was runner-up, with Don McLeod third.

The Road-E-O, sponsored by the Jaycees and the school district, was supervised by California Highway Patrol officers.

PURPOSE of the event is to encourage safe driving among young people.

Other participants in the Road-E-O were Bob Newman, Richard Haefele, Bruce Schaefer, Charles Blue, Corbett Kroll, Jim Bozek, Victor Clarke and Leonard Brown.

Jaycees active in the program included Eric Neilsen, Jaycee president; Bob Anderson, Frank Peaker, and Bob Wale, co-chairmen.

THE ROAD-E-O was organized by Miramonte students with McLeod as chairman. He won the competition last year.

Other student committee members were Kroll, Roland Mack, George Hollidge and Bryan Collins.

John McClean, Acalanes High School driving instructor, handled the preliminary written exams.

Phoners Seek Inspiration; But Get Miller's Instead

The telephone kept ringing all day and Herb Miller of Miller's Store for Men, 229 Brookwood, was baffled, bewildered and quite bothered.

"I kept answering the phone with my usual cherry, 'Good morning, this is Miller's Men's Shop,' and all I got was a horrified gasp at the other end of the line," he explained.

"THEN A voice would say, 'Isn't this the prayer minister?' and I'd tell them I am an innocent bystander and have customers waiting. And they'd hang up!" he told The Sun.

Finally, in desperation, Miller phoned The Sun offices to find out what it was all about.

The Sun staff was just as puzzled but after many a phone call and sleuthing on the part of reporters the mystery was solved.

It developed that St. Peter's Episcopal Church in Oakland has a phone number to call where a recording by the pastor is played, giving an inspirational message.

The number is OLympic 4-4701.

For some reason, Orindans dialing the number got through to Herb Miller's line—CLifford 4-3371.

THEY EXPECTED inspiration and got Herb.

Finally, in desperation, Herb took his phone off the hook and went out for a three-hour luncheon.

"The mix-up only lasted one day, thank goodness," Miller said.

"But," he added, "I'm grateful to The Sun for the explanation. "It would have bothered me for years not knowing!"

Cub Scout Gets Cup For Selling Most Tickets

Cub Scout Bill Seifert Jr. of Pack 207, Den 1, received a gold cup from Cubmaster Jim Denning for his super salesmanship. Bill sold 122 tickets for the recent Scout Exposition. For winning fourth place in this area, Bill also wins a chow kit and a Boy Scout trail light.

A movie on camera studies of flowers was shown at the last Pack meeting held at Glorietta School. Awards were given to the following boys:

Den 1: Ross Costa (lion badge and gold arrow); Robert Bardell (gold arrow for lion); David Denning (silver arrow for lion).

Den 4: Steve Bowles (one year star).

Den 5: Kevin Smith (second year star); David Semrau (second year star); and Bob Grigsby (second year star).

Den 9: Ken Statton (2 silver arrows — wolf); Rodney Price (wolf badge and gold star); Mark Knudsen (gold arrow — wolf), Brad Jones (two silver arrows—wolf); Ron Ivy (denner's stripe); and Tim Mueller (2 silver arrows for wolf).

All Cubs received the exposition badge.

Orinda Man Returns After Starting Vietnam Program

More than 5000 young people belong to some 176 4-H Clubs, each sponsored by village leaders and elders, and every boy or girl conducts his own agricultural project, such as raising pigs, chickens, or a garden.

The home improvement program of this Extension Service has also shown remarkable progress.

A graduate of the University of California, class of 1922, Ernst is well-known in the state agricultural education circles, having been for many years a member of the University's Agricultural Extension Service.

At the conclusion of home leave, Ernst will be reassigned to another ICA Mission.

Franklin H. Ernst of Orinda has returned to the United States on home leave after completing four and one-half years in Saigon as agriculture extension advisor with the International Corporation Administration's Mission to Vietnam. He is accompanied by his wife, the former Olive Johnson of Berkeley.

During their stay in Orinda, the Ernsts will be at their home, 139 Canyon Drive.

Ernst went to Vietnam with the Mutual Security Program in September, 1954 to establish a National Vietnamese Agricultural Extension Service.

Under the guidance of Ernst, assisted by two other American associates at the Mission, this service was established within the Vietnam Ministry of Agriculture in 1955 and has steadily grown in members and capacity to reach and to help the rural people.

Chamber Officer Slate Expected To Be Elected

An election of officers for the Orinda Chamber of Commerce is expected to take place at the group's regular meeting Tuesday at Casa Orinda.

Due to lack of a quorum at the last meeting May 19 the election was not held.

IT IS expected the slate will be elected and the officers will assume their duties at the forthcoming meeting.

James Lucas has been nominated as president.

Other officers named include William Polk, vice president; C. E. Betz, secretary-treasurer; Chester Clark, William Saunders, John Hall, Kenneth Courtright, Kennon White and John Ogden, immediate past president, as directors.

Garden Club Year Ends; 3 Awards Earned for Work

The Orinda Garden Club concluded its year Tuesday with a picnic meeting at the home of Mrs. Lindsey Spight on Camino Pablo.

Mrs. Roger Stark, president, announced that at the recent state garden clubs convention in Palo Alto, the Orinda club was given three awards for its work in the field of civic beautification. Last week the club received the Richfield award for conservation and civic beautification.

Newly elected officers for the coming year are Mrs. Joseph Lang, president; Mrs. B. H. Dean Jr., vice president; Mrs. W. H. Mordy, treasurer; Mrs. David Wallace, recording secretary; Mrs. Charles Baker, corresponding secretary; and Mrs. Stuart Campbell, historian and publicity chairman.

Hall Appointed Associate Dean At Stanford

John E. Hall, of Orinda, who earned his bachelor of laws degree from Stanford University Law School in 1953, has been named associate dean and associate professor of law at the school.

Hall has been in private practice in San Francisco and on the legal staff of Safeway Stores Corporation.

A native of Philadelphia, he was graduated from Drexel Institute in 1943, then served as a destroyer officer in the Pacific.

547 Boys Participating In Summer Baseball Games

A total of 547 boys are participating in the Orinda Summer Baseball League.

This represents more than 55 per cent of all boys attending grades three to eight.

More than 50 fathers are officially connected with the teams as coaches.

"Other dads and even mothers help out when the need arises," according to Hal Ruby, league director.

THE PROGRAM is under the supervision of Ruby and Frank Isola, director of physical education and recreation for the Orinda Union School District.

League play started last Saturday and will continue until July 9, Ruby said.

There are three leagues: The peanut league is made up of third and fourth graders, with 14 teams divided into two divisions of seven teams each. A total of 209 boys are in this league.

The minor league is composed of 218 boys in 14 teams, two divisions of seven teams each. These are fifth and sixth grade students.

IN THE MAJOR league—seventh and eighth graders—there are eight teams all in one division. One hundred and twenty boys play in this league.

Games will be played on Saturdays at the five Orinda elementary schools and at Miramonte High School until June 15.

Starting on June 15 games will be played on Mondays, Tuesdays, Wednesdays and Thursdays in the evening starting at 6:30.

There will be no play on May 30 due to the Memorial Day holiday.

In a letter to parents, Ruby and Isola described the basic philosophy behind the summer baseball program.

Excerpts follow:

"As parents of boys participating in the Summer Baseball League, you no doubt have some questions about the purposes and goals of this program.

"Basically, the purpose of this league activity is to give the boys some experience and enjoyment in baseball.

"Baseball is an excellent sport for both participants and spectators. Winning is important. Let's not kid ourselves about that. But even more so is how well one plays the game. This applies to both player and fan.

"Baseball calls for a great deal of skill—skill that can be acquired only step by step. One needs experience to become skilled at anvthing.

"Baseball is no exception. Besides the actual mechanical skills of the game, we must also be concerned about sportsmanship and fairplay.

"These are learned by example, and in no other way. When a parent (and you've seen this happen) puts pressure on a boy in a critical way, has expectations that the boy cannot yet meet, or criticizes an umpire or coach, that parent has lost sight of some basic values.

"Let this be the Parent's Creed:

"1. Even the best player will make mistakes.

"2. Sportsmanship and winning are both important.

"3. Adult volunteer coaches and umpires deserve a big vote of thanks—not criticism.

"4. Support the teams, but remember the game belongs to the boys. Let them play it."

250 Attend Opening of Wildwood Acres

More than two-hundred family friends and neighbors attended the official christening May 24 of "Wildwood Acres", the new clubhouse and recreation resort opened by Mr. and Mrs. James Lucas of Orinda.

Wildwood Acres is located at the end of windy Rohrer Drive, a bucolic spot nestled in the hills.

The new fun place, which will be open for group parties and picnics, features a swimming pool, modern dressing rooms, a vast dance floor, pavilion and picnic tables.

A dinner of barbecued chicken and steak was served the Sunday guests.

Sleepy Hollow Residents Voice Thruway Objections

by JACK SEYMOUR

The proposed Orinda Plan met with approval for the most part at a hearing before the county planning commission last Tuesday night in Martinez.

The Orinda Improvement Association made several criticisms of plan.

One was the plan's recommendation that zero to three families per acre density be adopted. The association suggested a maximum of two families.

The association suggested expansion of the Orinda School District; greater allocation of land for parks and recreation and no enlargement of multiple dwelling zoning.

William Brobeck of the Sleepy Holow Association opposed making Washington and Lombardy Lanes throughways because of the safety hazard involved.

Jack Helms and John Den-Dulk said that 290 of the 310 residential lots in Sleepy Hollow have been developed.

Residents neither want nor need additional traffic circulation, they said.

REPRESENTATIVES of the Lost Valley area voiced their concern over a proposed highway from Mt. Diablo Highway through the old Kaiser quarry area to tie in with the proposed Shepherd Canyon Freeway.

A statement presented by the association to the county planners read, in part:

"While we have not reviewed a complete draft of the plan, the major concepts were discussed at a meeting with representatives of the plan, the major concepts were discussed at a meeting with representatives of Orinda organizations.

"The Orinda Association approves these major concepts as presented at that meeting, and believes they should be embodied in the general plan.

"THE PLAN proposes maintenance of low residential densities, limits commercial use to areas in existing business districts, and provides for no expansion of areas to be devoted to multiple family uses.

"We consider these the key land use features of the plan, particularly the maintenance of low residential densities, and favor their inclusion in the plan adopted by the Commission.

"Residential areas are presented in the plan as "low density," the lowest density classification available for general plans in the county. This provides for 0-3 families per acre. In approving this density classification, we do not wish to imply support in any way of a standard of three families per acre for Orinda.

"TWO FAMILIES per acre continues to be our desired objective, implemented by R-A and R-20 zoning. Adoption of the plan with "0-3 families per acre" should not be used as a means to justify future rezoning to R-15 or smaller.

"We urge the Commission to recognize clearly that Orinda should be developed at densities less than the upper limit of "low density" as defined by the plan. The Commission should approve such a policy as part of the record in adopting the plan and should state clearly that "0-3 families per acre" does not mean three families per acre, particularly in Orinda.

"We would rather not have any officially adopted plan than have an official general plan which acts to increase residential densities above two families per acre.

"The limits of the Orinda planning area should be enlarged. Portions of Orinda and Moraga plans for two areas is of great overlap, and the relationship of importance. The portions of the Orinda Union School District now in the Moraga planning area are generally considered part of the Orinda community, and we believe this should be recognized in the plans adopted by the commission.

"We believe also that the present Orinda planning area should be extended to the north, again to correspond with the school district. How the land north of Bear Creek and Wildcat Canyon Roads is developed will have a powerful impact on the Orinda community, and attention should be directed now toward planning this area as part of the Orinda community.

"Objections to the circulation plan have arisen, particularly in the Sleepy Hollow area, with concern relative to actual road locations in Lost Valley. We urge that full consideration be given to the views of residents in Sleepy Hollow before taking any action which might lead to a significant change in the distinctive character of this part of Orinda.

"Too little attention appears to have been given to parks and permanent open space within the Orinda area.

"THIS HAS apparently been due to the absence of a county park plan and to the absence of an official agency which might acquire park land.

"The designation of land for community use in Orinda should be expanded at least to recognize the probable future community use of the land now owned by The Orinda Association but as yet undeveloped.

"The Orinda Association considers that official adoption of a general plan for the community will be of very great benefit if the plan serves to preserve the present low residential density.

"We urge the Commission to adopt a plan providing for low density and to define the particular meaning of "low density" as applied to Orinda.

"WE ALSO favor a general plan limiting commercial use to areas now designated for business use and providing for no expansion of multiple-family residential use.

"Commission action in support of the Orinda General Plan should result in substantial benefits for the present and future residents of Orinda," the statement concluded.

Another hearing has been set for Tuesday, June 30.

BETTER DRIVING is goal of Orinda Junior Chamber of Commerce Teen Age Road-E-O held at Miramonte High School last Saturday. Here Charley Blue drives his car past a marker at California Highway Patrol Officer R. J. Patrick checks him. Looking on is Bob Wales, Jaycee co-chairman of the event. Jim Botto won the trophy for the best performance. Brian Collins was runner-up and Don McLeod placed third. Other Jaycee chairmen were Bob Anderson and Frank Peaker.

School Board Gets Report On Discipline Problems

Acalanes High School District trustees Monday night heard a report by school principals on discipline problems. The trustees met at administration offices at the school.

The problems generally involve "a very small number of recalcitrant students who are not amenable to usual discipline procedures," principals said.

"The students present a problem for their parents and the community as well as the schools," they added.

The principals also reported on registration trends for student signups for courses next year following the adoption of the seven period day schedule for 1959-60 by the district. They stated that "in general, more than 50 per cent of the pupils are signing up for additional subjects."

In other actions trustees:

Regretfully accepted the resignation of Robert Rowe, Miramonte dean of boys, who leaves to do graduate work at Stanford University;

Approved plans providing an outdoor autoshop workspace at Acalanes;

Stood opposed to a proposal for a zoning change on a small parcel of land fronting Las Lomas High, Walnut Creek, on the grounds that the proposal would make the Las Lomas entrance "unsightly" (the proposal would zone the parcel commercial);

Accepted the installation of sprinklers on the Miramonte football field; awarded bids for physical education equipment for all district schools; and called for bids for towel and laundry service; audio-visual services, and resurfacing of two Acalanes High tennis courts.

Principal Leland Russell of Las Lomas High, reported on the progress of the "evaluation of the school program" now being concluded at the Walnut Creek High School.

Carleton Moore, Noted Artist, Dies at Home

Funeral services were held Tuesday for Carleton D. Moore, staff artist for the Oakland Tribune and long-time resident of Orinda.

Mr. Moore died at his home, 72 Camino Encinas, last Sunday. He suffered a heart attack while working in his yard. He was 61.

The Orinda Fire Department sped to the scene with an inhalator but Mr. Moore was pronounced dead by a private physician.

Mr. Moore had been under treatment for a heart condition for some time.

Active in civic affairs, Mr. Moore lived in Orinda for the past 16 years.

A native of Illinois, Mr. Moore lived in California for 50 years.

Mr. Moore attended Santa Clara University and served in the Navy during World War I.

He was well known throughout the Bay Area and worked for all the major San Francisco dailies before he joined the Tribune staff.

He is survived by his wife, Margaret; a daughter, Susan, a son Lt. Harrison Moore, who flew home from his Navy station in Texas for the funeral; two sisters, Miss Mary Kathleen Moore of San Francisco and Mrs. Marjory Kilburn, Berkeley.

The Rev. Bill Rose, Tribune church editor, officiated at the services which were held in the Chapel in the Valley, Lafayette.

Interment was at Golden Gate National Cemetery.

Newcomers Install Officers

New officers installed at the May meeting of the Orinda Newcomers Club were Mrs. Harold Scott, president; Mrs. James Burchell, vice-president; Mrs. John Pennington, secretary; Mrs. C. D. Bowler, treasurer.

Appointed by Mrs. Scott to serve as her committee were: chairman, Mrs. John Hallenbeck, membership; Mrs. Jule Harrah, social; Mrs. Eugene Monroe, telephone; Mrs. James Burchell, program; and Mrs. Marvin Yost, year book.

New members recently welcomed into the club were Mrs. A. J. Wurtz, Mrs. John Larson, Mrs. Edward Riason, Mrs. Walter Davis and Mrs. Scott Harrington.

The June board meeting of the newcomers will be held at the home of Mrs. James Burchell on Warford Terrace. Coffee and dessert will be served.

The daytime bridge group gathered at the home of Mrs. John Pennington this month. Top honors went to Mrs. Scott Harrington, Mrs. Arthur Flanagan and the hostess, Mrs. Pennington.

The Newcomers are about to bring this year to a close but are already planning new and interesting things for next year. The bridge and canasta groups will continue to meet through the summer.

If you are new in the Orinda area and would like more information about the club please contact Mrs. John Hallenbeck, membership chairman, at CL 4-3054.

Old-Fashioned Spelling Bee Highlights Meet

An old fashioned spelling bee by Orinda School students was the highlight of the last meeting of the year for Orinda Parent Club. It was held last week at the school.

Mike Kersten won first place with David Watkins second and Eliza Hession third.

Words in the test were taken from material aimed at ninth and tenth graders but the winners were fifth and sixth graders.

Honor pins will be presented at the awards assembly at close of school in June.

William Gaskell, principal, was the spelling bee master.

Charles Lohse has been nominated as president of the club.

$250,000 Damage Suit Filed by Orinda Resident

Bud V. Thurston, 127 Spring Road, has filed suit against Kaiser Aircraft and Electronics Corp. and Kaiser Industries for $250,000 damages.

The suit charged the firms with negligence in maintenance of a ladder at the Kaiser building in San Leandro. Thurston alleges a rung had been removed from the ladder, causing him to fall 30 feet.

His injuries included fractures of both ankles and feet and of the pelvis plus sprains and other injuries.

The suit was filed through Belli, Ashe and Gerry, attorneys.

Brisk Evenings Spice Days as No Rain Falls

Alternately clear and grey skies hung over Orinda the past week, but brought no rain to the area—leaving the moisture total for the season at 17.26 inches.

It was a warm seven days, spiced with brisky cool nights. Pleasant for everyone, most will agree.

Here are the temperatures:

	High	Low
May 21	80	43
May 22	71	48
May 23	68	47
May 24	64	41
May 25	57	49
May 26	60	48

"Flu" Blamed For Absentees In All Schools

by JACK SEYMOUR

The number of absentees in the Orinda Elementary School system appears to be on the decline after a peak of 219 last week.

The "flu" virus was blamed for the majority of the students' absences.

This week 165 students were unable to attend classes due to various illnesses, including the "flu."

During the week of May 11 a total of 81 were out.

Superintendent of Schools Joe Sheaff said the "normal" or "average" number of absentees during a week is from 60 to 80.

Local Man Sues Firm After Auto Accident

Rolland J. Brown, 56, of 4120 Canyon Road, has filed suit against a Sausalito auto repair firm for $200,000 damages for injuries he alleges he received in a five-car crash near Orinda one day after the firm allegedly repaired his car's brakes.

Defendants in the suit are Hank's Auto Repair at 200 Caledonia Street, Sausalito, its owner Henry E. Schneider and a mechanic, Phillip Dickenson.

Dr. Brown received face and brain injuries and a broken jaw in a crash east of the tunnel, April 3. He showed California Highway Patrolmen a receipt for a brake repair job completed by the Sausalito firm the previous day, records show.

His car struck four other vehicles including a dump truck.

Subscription Drive to Aid Summer Program

To help insure financial success of the Lafayette School District Summer Recreation, all profits from NEW subscriptions to The Sun will be donated to the program.

A subscription campaign will soon begin.

Recreation Fund Drive Begins; $2300 Needed

The Lafayette School District Summer Recreation Program annual fund drive began this week with a district-wide budget of $6,645. Of the $6,645, a total of $2,300 will have to come from donations.

An expanded program makes the goal $600 more than last year's campaign.

THIS IS due to availability of a playground at Fairview School, a 30-day program instead of 29 days; more teachers on the staff and a better program.

This is the 15th annual program in the community and school officials are looking for it to be the best ever.

There will be from two to four directors on all playgrounds.

Major and minor sports will be offered as well as instruction in various athletic skills.

Special event days at different locations will be highlights of the recreation program.

THERE WILL be 20 directors at the eight Lafayette elementary schools.

None of the money used comes from school district educational funds.

A breakdown of the proposed budget for this summer's programs includes $6,295 for salaries and $350 for supplies.

Estimated income is $4,000 from the state, donations amounting to $2,300 and a five cent community service tax which will bring in $345.

The $2,300 in donations is expected to come from parents of Lafayette school children and other interested persons.

The program runs from June 22 to July 31, five days a week from 9 a.m. until noon.

There will be weekly movies, arts and crafts, dramatics, music and story-telling.

IN APPEALING to parents, school officials emphasized that "the need is great."

You Can Sign Up For Youth Swim Program June 16

Sign-up date for the Lafayette Youth Association summer swimming program has been extended to Tuesday, June 16, according to Bob Sherman, swim instructor.

There are openings in the 9 a.m. and 9:35 a.m. sessions at the Acalanes High School pool. A sign-up will be held during the opening hours on June 16, start of the program.

Also, Sherman said, there are openings on the association's swimming teams. Coaching jobs are also available.

Swim lessons are given Tuesday through Saturday.

Blakeman Ruling Reversed; It's Unconstitutional

The Superior court sentence of Seth Blakeman, 42, formerly of 3333 St. Mary's Road, banishing him from Contra Costa County was reversed yesterday by the state district court of appeals.

Blakeman has been fined $500 and placed on probation from a year's term in the county jail on the condition he leave the county.

The sentence was imposed by Superior Judge Hugh Donovan in March, 1957.

Blackman had pleaded guilty to a charge of committing assault and battery on a 14-year-old boy.

In May of last year Blakeman admitted he had re-entered the county to visit friends.

The court ordered him to begin serving the jail term but Blakeman appealed on grounds that banishment is unconstitutional.

Appellate Judge Fred Wood's written decision upheld Blakeman's claim. The opinion also said the maximum probation that should have been imposed was six months.

Last Rites for Emil Colt Held at Colma

Funeral services were held yesterday at the Chapel in the Valley for Emil Colt, who died Monday at Kaiser Foundation Hospital in Walnut Creek after a long illness.

Mr. Colt was a native of Denmark. He was 76 years of age, a member of the Carpenters Union, Local 36 of Oakland, and he also belonged to Court S. of No. 10, IOF of San Francisco.

Mr. Colt leaves his wife, Emily Amedee, of 242 Ilene Court, Pleasant Hill, where they lived following sale of their former home of 32 years to the Lafiesta Shopping Center.

Interment was at Green Lawn Cemetery, Colma, with Rev. Merle Tolleson officiating.

Bucks for Beauty Letters Outline Project's Plans

Four thousand Lafayette residents were asked this week to contribute to the "Bucks for Beauty" campaign.

Letters outlining the program of the Lafayette Design Project were in the mail.

They were signed by Emmett McKeegan, project president; Lou Repetto, plaza chairman; Jack Hageman, finance chairman; and Stewart Wade, plans chairman.

MAIN PROJECT for the group is "creating a designed plaza, giving the very heart of Lafayette a many-colored jewel of a park, with shaded resting areas and green circlets of lawn," the letter said.

Other plans include:

A planted center strip down Mt. Diablo Boulevard, with modern electroliers, plus potted trees on sidewalks.

A uniform color scheme for all buildings on the "strip," and installation of benches and drinking fountains throughout the area.

TO CHECK, where possible, the architectural plans of all new business buildings so as to formulate a uniform architectural theme.

The project has more than $1000 in pledges and money, the committee said.

C. Mason Whitney, landscape architect, has designed plans for plaza remodeling.

These have been published in the Sun and are on view at the Bank of America, First Western Bank and Jack Hageman's office on Plaza Way.

The letter states that the project "believes that Lafayette shall not become blighted."

THE PROPOSED program will "pay aesthetic dividends for all of us who live in and love our Sunshine Valley," the letter says.

The next meeting of the Design Project is set for Saturday June 6 at 8 a.m. at El Nido.

Chamber Directors Meeting Wednesday

The board of directors of the Lafayette Chamber of Commerce will meet Wednesday at 12 noon at Chicken Manor, it was announced yesterday.

The public is cordially invited to attend the luncheon-meeting.

Where To Park? It Will Get Worse

AN EDITORIAL

Let's consider parking in Orinda.

Frankly, the situation isn't getting much better—in fact, it's been hinted broadly in some circles that it is getting worse.

It has also been hinted that not too much is being done to solve the problem.

Well, who can tackle this problem?

Certainly the Orinda Chamber of Commerce is involved, as is the Orinda Association, and, of course, the Orinda Parking Authority.

THE LATTER is a legal body set up to solve the parking problem, and we recommend that the authority get to work on a coordinated effort with the above named civic bodies to solve the problem.

Because it is not going to solve itself.

One problem is that the authority has only limited funds. It gets a few dollars each year from its small tax levied on the business property.

But this authority could put through bond issue, based on the property in the business area, and purchase land for future (and even present) parking.

There is no question that some land must be reserved, and this is as good a time to purchase it as any. It is not going to become any cheaper, or any more avilable.

IT SHOULD be noted that some of the property owners have done an excellent job themselves. Hagstroms, Phair's Orinda Store are good examples.

And there should be some land available in the Cul-de-sac by the Shell station.

All of these problems—financing, availability and purchase of land, etc., can be worked out with cooperation of community groups.

So now, let's get down to work!

500 Boys Ready for Youth Association Ball League

All boys who signed up for the Lafayette Youth Association's summer baseball league have been assigned.

League play will start June 15.

Fifteen teams of the 9 and 10 year olds, twelve teams of 11 and 12 year olds, plus four teams of 13 through 15 years, will take the field. Total number of boys involved will be approximately 500.

The swimming program has signed 400, diving 80, and tennis 130.

THE INITIAL number of persons interested in archery fell short of the 50 expected, with only 20 signed up, but it is expected that more interest will be shown after that program got under way.

An additional avenue for teenage recreation was being explored by the L.Y.A. Director Bob Hagler this week—golf instruction and play.

IT APPEARS that lights for Mattson Field would be ready for the opening of the league. All labor is being done by volunteers.

Foreign Language Students Win National Honors

Fifteen Acalanes High School foreign language students have won honors on the basis of their performance in a national Spanish examination given recently.

Announcement of the names of those receiving honors were made by Principal Stanley Walgren.

Dale Valory, Acalanes sophomore, will receive a "medal of excellence" for earning the second highest score attained in the national test.

OTHER STUDENTS cited for their performance on the test were Bruce Dodge, Carolyn Mack, Susan Emerson, Jhon Guelder, Karen Emerson, Phyllis Underhill, Nancy Banks, Bill Mayes, Lillian Gadsby, Bill Peregoy, Thornton Smith, Carolyn Jones and Marcia Bates.

Members of the foreign language department at Acalanes are Charles Donna, department chairman; Florence Bassignan, James Garvey, John Kahmert, Josephine Ochoa and Elsa Sifuentes.

Two Injured in Head-on Crash

A head-on crash occurred Tuesday night at 6:45 p.m. on the freeway just east of the Happy Valley Road entrance near El Nido Rancho, when an Oakland driver crossed the centerline and smashed into a car heading west, driven by a Berkeley teenager.

Injured were Lorraine Blanche Scott of Berkeley and Milton M. Fuller, 52, of Oakland.

Fuller's auto, traveling east, suffered total damage, while Miss Scott's car received total front damage.

Miss Scott was taken by ambulance to Kaiser Foundation Hospital in Walnut Creek, with Fuller going to County Hospital in Martinez.

C. M. Stegman Services Here

Last rites were held Wednesday for Charles M. Stegman of 3463 Monroe Avenue, Lafayette, following his death in a Walnut Creek nursing home May 25 after a long illness.

Mr. Stegman was born in Arkansas in 1874 and had lived in California 79 years. He was 85 years of age at time of death.

A resident of Lafayette for 12 years, Mr. Stegman leaves his Wife, Agnes, and two daughters —Mrs. Mildred Deadrick of Bakersfield and Mrs. George Walker of Lafayette—and one son, Donald E. Segman of Lafayette.

Mr. Stegman had seven grandchildren and one great grand child.

The private funeral services were held at the Chapel in the Valley, with Rev. Henry Page White of the Lafayette Community Methodist Church officiating.

Mrs. Tellegen Files Suit for Maintenance

Mary L. Tellegen of 3379 West Terrace, last week charged misconduct and extreme cruelty in her suit for separate maintenance against her husband, Walter S. Tellegen.

The couple married in Santa Monica May 2, 1953, and separated March 17. There are three children.

Mrs. Tellegen asked $625 monthly alimony and child support in addition to a court order awarding her all the couple's community property. Tellegen is manager of the San Francisco city and San Francisco International Airport offices of the Hertz Corp.

Mrs. Tellegen listed as community property sums owed her husband by the car rental firm, the home, furniture, an auto, bank accounts, life insurance and stocks.

Lions Club Adds Sea Scout Ship

Lafayette Lions Club has made a loan of $75 to the Sea Scout ship they sponsor.

The money is to be used "to bring the ship up to snuff for an upcoming inspection," according to Lions President Lou Repetto.

Sea Scout chairman Alvin Rudiger said the boys preferred a loan rather than a gift.

The money will be repaid from proceeds from the Walnut Festival.

Mr. & Mrs. Contra Costa Tell Market Survey Facts

Hi,, folks.

I'm Mr. and Mrs. Central Contra Costa County. I'm not really a couple, though. I'm a personification— an entity. Just a guy and a gal, with two kids and sometimes three—and I like to think I'm here, there and everywhere.

I guess I'm really you, but I have no name. Mostly I'm just a picture, making a little over $7,000 a year and commuting back and forth to work in a city somewhere.

DON'T GUESS you really would have known me—ever—except for one thing. The Walnut Creek Area Chamber of Commerce, acting in co-sponsorship with the City of Walnut Creek, has just analyzed and torn me apart.

They've just published the Central Contra Costa County Market Survey. It makes me a typical picture—one area businessmen thought should be placed on exhibit.

I thought you folks should get a chance to see it, too. So here I am, and I hope seeing me pleases all of you.

MARKETEERS visited me in over 2,000 places among the 40,000 places I live close to Walnut Creek. They asked me many questions. Wanted to know my background, shopping habits, my likes and dislikes — and what I thought about the services the area had to offer.

Business men found that, like I said, I belong to a race of commuters. I don't rent, either. Mostly I own my own home. I like a touch of solidarity, you see.

Outside of the part of me that lives in multiple dwellings, 87 per cent of myself owns homes. Only 13 per cent of me rents. They don't mean anything, though —because 43 per cent of my renting part plans to buy homes within the next five years.

What kind of homes do I own?

WELL, marketeers visited 780 pieces of me in homes valued at under $15,000. They came to see me in 514 homes valued at $15-20,000 each, and in 471 in the $20-30,000 bracket. They also found me in 116 homes costing over $30,000 and in 150 multiple dwelling units.

Most of me came to the county area for different reasons — the climate, attractiveness of the area, country living, and because no other area offers these things so handily and conveniently.

It's so easy to get back and forth to work from here, most will agree. Especially when you own 1.74 cars per family like I do.

We commuters are well-educated, too. Over 90 per cent of us finished high school, and 44 per cent have had junior college training.

SOME 28 per cent of us, too, have a university education, and eight per cent have one or more years of graduate work.

This is reflected in our work, because largely we are in professional, administrative or white-collar capacities.

Leading our occupational traits are professionals with 22 per cent; managers, officials and proprietors have 18 per cent; sales workers account for 18 per cent also, and clerical and like workers have 13 per cent of me.

Where do I work?

ABOUT A third of me works in Oakland, with 13 per cent of the rest employed in San Francisco.

Ten per cent of me stays in Walnut Creek, nine per cent goes to the Avon-Martinez area, and eight per cent drives to Concord.

The rest of me works various places—in Richmond, Danville-San Ramon, Pittsburg-Antioch, and other close-by areas in northern California.

Generally, though, considering that I work elsewhere, I shop in the immediate area. Over half of me shops in Walnut Creek. Over 20 per cent of me shops close to where I live, and 23 per cent of me travels to Concord.

ONLY 12 PER cent of me shops in Oakland and San Francisco.

Chances are, too, that I'll make a major purchase in the area soon. Some 22 per cent of me will make a considerable investment in furniture, and 18 per cent of me will buy a new automobile.

Mostly I find my retail, professional and service sources quite satisfactory, except for a couple of things.

I'd like aditional recreation facilities in some areas, and I'd like a bus service between my home area and downtown Walnut Creek.

SPECIFICALLY in recreation I'd like a new motion picture theater, some legitimate theatre, a teenage center, and an auditorium, some more parks, playgrounds and swimming pools.

Many county services could be improved in my unincorporated areas. But the part of me living in Walnut Creek is satisfied with most public services.

In other words, my Mr. Walnut Creek thinks his fire protection, planning, policing, schools, hospital, postal, governing and other services good.

These are important too, because I'm a growing concern — both growing and growing up.

OVER 40 per cent of my kids are in the 5-11 year bracket. They're growing up, they need services. And more of us move in every day.

That's why I've told you about the survey. I like the idea. I think it points up things good, things needed. I think it makes specific recommendations in some places.

Know why?

I hope they're heeded, too.

Because I like it here—in Central Contra Costa County.

Warning Isuued Residents To Check Inspector's ID's

The Contra Costa County Office of Civil Defense and Disaster has received many telephone calls inquiring about the proper identification of the field inspectors employed in making the fallout shelter survey now being conducted in the county by the firm of Robert E. Alexander and Associates for the federal Office of Civil Defense Mobilization.

Each authorized field inspector is identified by a red, white and blue identification card issued by the Contra Cosa County Office of Civil Defense and signed by Will H. Perry Jr., director, as the issuing authority, and countersigned by Donald Stofle, office manager of the Alexander Associates making the survey.

IN ADDITTION to the ID card each field inspector has a letter of introduction written on county CD letterhead stationery, signed by Will H. Perry Jr., director, and bearnig a picture, physical description and signature of the inspector, all laminated in plastic.

Perry urges the public to insist upon seeing the letter of introduction and the ID card of shelter survey inspectors before allowing them into a building for inspection.

Contra Costa County is one of four places in the nation selected for this pilot study of fallout shelter resources, the others being Milwaukee, Wisconsin, the downtown area of Tulsa, Oklahoma, and Montgomery County Alabama.

A comprehensive report of the study and the methods and procedures used in gathering and evaluating the information will be used in providing a basis for a nationwide fallout shelter survey in support areas.

THE INFORMATION obtained in the surveys will also assist OCDM in its research to determine how fallout shelters may be incorporated into new or existing homes, buildings and other structures, as well as helping OCDM to perfect shelter designs of the most economic and effective type.

Robert A. Alexander & Associates have set up an office at 820 Main Street, Martinez, ACademy 8-6720.

The survey began with a review of the county assessor's records which indicated that a certain percentage of structures will require inspection in the field, therefore the employment of field inspectors. More than 800 field contacts have already been made.

The Sun's the Greatest, Say Classified Customers

It really pays to use The Sun's classified advertising.

At least that's what Mrs. Paul Kennedy of Gordon Road in Walnut Creek says.

"Now I believe everything you say about The Sun's ability to sell through its classified ads," Mrs. Kennedy says. "We had tried other papers and other means with no results before we placed our ad in The Sun.

"When we did—our car and our trailer sold right away!"

THAT, THOUGH, is just one story of immediate success through a person's using The Sun's classified section. There are others by the bushel that crop up each time an issue is run.

Take C. M. Gass of 1 Evergreen Court, Walnut Creek, for instance.

"I placed an ad to sell a bedroom suite, including dresser and vanity, a bed and excellent springs and mattress, and a Philco TV," says Gass, adding that he sold everything but the TV the first time the ad was run.

Another pleased Sun patron is A. D. Mayfield of 1024 Carol Lane in Lafayette.

MAYFIELD placed an ad to sell an electric drill set, with saw, sanding, polishing, buffing and grinding attachments.

"I sold everything the very first time the ad ran," he says.

Then there's H. M. Woodsum of 2311 Walnut Boulevard, Walnut Creek, who placed an ad to sell a Haviland service for 12, a chrome dinette set, a bedroom set, a Frigidaire, an electric range, a washing machine, cast aluminum utensils, and a Magnavox radio-phonograph.

Realtors Gather For Breakfast at El Nido Rancho

The Contra Costa Real Estate Board held its quarterly breakfast Monday at the El Nido Rancho in Lafayette.

The event was a preview to the organization's annual golf tourney which this year was held in Pittsburg the same day as the breakfast.

Results of the tourney are not yet available, says a group spokesman.

The breakfast program started with a golf gag session featuring Lloyd Holton, a Danville realtor, as golfer and master of ceremonies. Mildred Tinker, a Walnut Creek realtor, was Holton's caddy.

THREE TALKATIVE women golfers spiced the show. They were Lenore Tiederman, Frances Morgan and Vany Knerr.

A musical program followed, featuring the Firehouse Five and the Walnut Creek Lions Club barbershop quartet. Each presented several numbers for realtors and guests.

Members of the Firehouse Five were Bill Hayward, guitar; Jack Hageman, piano; Roy Pasquine, gut-bucket; Mickey Riley, clarinet; and Al Solerno, trumpet.

Lions Club quartet members were Lee Russell, Don Judd, Lyman Stoddard, Jr., and Warren Swing.

Evelyn McLean was piano accompanist.

College Prexy Speans at Board Election Meet

San Francisco State College President Glenn S. Dumke spoke at the installation dinner of the Contra Costa County School Boards Association last night at Concord Inn.

Dr. Dumkl's subject was "Liberal Arts in the Age of Space." He was introduced by the association president, Boardman W. Moore of Lafayette.

Following the report of Mrs. Phyllis Wainwright of Martinez, chairman of the nominating committee, the association elected and installed officers for 1959-60.

Motion Picture Council Calls Mass Meetings

The Concord Motion Picture Council is attempting to coordinate a county-wide organization interested in the Motion Picture objectives, these being to promote movies which are normally and emotionally acceptable for children eight to eighteen years of age, and to guide in their selections.

As a means to this end, they extend an open invitation to all interested persons and organizations, to attend a meeting Wednesday at 10 a.m. to be held at the Concord Recreation Center at 2974 Salvio Street.

On the agenda for this meeting will be Mrs. Edith Riley, West Coast Membership Chairman for the National Federation of Motion Picture Councils, who will give a report on the National Convention held in Philadelphia, Pa., in April.

She will also present posters and hats which were featured at the annual "Madhatters Tea Party" in March, as they were displayed at the convention and for which the Concord Council received recognition.

Refreshments will be served by refreshment chairman, Mrs. Theo Miller, and her committee, consisting of Mrs. Pat Mahoney and Mrs. Laverne Curletto.

Want Work, Teenagers? The Sun Has Ads Ready

The Sun will accept free work wanted classified advertisements from teenagers during school vacation this summer as a part of a continuing program begun several years ago in the Central Contra Costa area.

The ads will start June 10, with the deadline for filing to be at 4:30 p.m. each Monday. Ads accepted must be 10 words only, including phone number.

Deadline for the first group of ads will be June 8 by 4:30 p.m.

EACH AD placed will run two weeks.

The offer will run through July 3, making June 22 the final day for placement.

Any teenager is eligible. He must state his age in the ad and must come to one of The Sun's offices in person, since ads under this classification will not be accepted by telephone.

The Sun's offices are located at 1000 Oak Hill Road in Lafayette and 1320 Locust Street in Walnut Creek.

Pageant in Full Swing; Hundreds Visiting Area

Hundreds of people began flocking to Walnut Creek yesterday to be at the opening of the Fourth Annual Diablo Pageant of Arts which began officially at 10 a.m. with a concert by the Las Lomas High School Band in City Park.

The program will continue through Sunday night.

Highlights of the pageant will be sidewalk exhibitions of the arts, with emphasis on "art in action" in textiles, paintings, ceramics and sculpture.

Throngs of people actually will see art take shape before their eyes as artisans ply their trades in public, forming a kaleidoscope background for varieties of musical programs, folk and modern dancing and choral singing.

IN ADDITION to "art in action," exhibits of paintings by nationally renown artists can be seen by Pageant patrons.

Painters exhibiting are Dong Kingman, Andrew Wyeth, Beniamino Buffano, Elena Netherby, Bob Winston and Maurice Logan.

Works exhibited include painting, sculpture, ceramics and jewelry.

Also featured yesterday was a piano concert by Rosalyn Pollycove and Itala Gambino and a performance by soprano Marian Steinbergh.

A SQUARE dance quadrille and the Diablo Valley Choral String Quintet also were on tap for spectators.

Today will feature the San Ramon Choral Group at 10 a.m., harpist Edith Marshall at 2 p.m., and a Pan American program, starring the Las Inditas Dancers and Jamaican Calypso singing at 7:30 in City Park.

The Danville String Quartet and soprano Margaret Price will perform tonight at 8:45 p.m. in the Walnut Creek Recreation Center.

TOMORROW'S program will be opened by the Girl Scouts with a Memorial Day service in City Park at 10 a.m. Model airplane races will begin at 11 a.m., and an "Around the World" ballet by recreation department children will come at 1:30 p.m.

The Bill Hay Ballet School will present "Nutcracker Suite" at 7:30 p.m., and a "Meet the Author" program will be held at 8:30 p.m. in the Recreation Center buillding.

Sunday will bring a modern dance group at 1:15 p.m. to City Park. A concert by pianist Tanja Ury will follow. Then comes "Art in Action" contests at 3:30 p.m.

Completing the four-day program will be a presentation by The Dramateurs of highlighted scenes from The Rivals.

Women's Press Club Holds Year-End Meet

The last meeting of the year for East Bay Women's Press Club was held last night at the Orinda Country Club.

Following dinner, members were entertained by Maggie Woodall Thrall who gave a dramatic presentation of a current Broadway comedy.

Shirley Smith Hotchkiss was hostess to the group for cocktails earlier at her home, 14 Linda Vista.

Free X-Rays In Broadway Shop Center

Free chest X-rays will be available Friday to residents of the Walnut Creek area, 15 years and over.

The X-ray unit will be located at 1400 Broadway in the Broadway Shopping Center, and will be open to the general public from 2 to 5 p.m. and from 6 to 7:30 p.m.

Foodhandlers also may obtain chest X-rays to fulfill the requirements for their individual health permits.

Free chest X-rays are provided by the County Health Department as part of its Tuberculosis Control Program.

Calling All Women Marines For Reunion!

All Women Marines of World War II are urged to make their reservations early for the July reunion to be held at the Marines Memorial Club in San Francisco.

A banquet for 800 will be the highlight of the festivities at this first-time reunion in 15 years. The western region reunion is being held simultaneously with the one in New York for East Coast Women Reserves.

For further information phone Dottie Steele, GL 1-3813, Jeannie Perry, LU 2-7152 or Marie Monahan at CL 4-5729.

Safeway Stores Announce 2 New Appointments

Appointment of M. B. Houser, 30 year veteran of Safeway Stores, as retail operations manager of the firm's San Francisco Division, was announced today by Quentin Reynolds, San Francisco division manager.

HE REPLACES K. W. Huntington who has been promoted to manager of Safeway's Little Rock, Arkansaw, division.

Houser's career with Safeway started in Oregon in 1928 and continued through the ranks of store manager and eventually through district manager in Portland, Oregon.

He was most recently district manager of the Oakland district.

Alan M. Douglass, retail operations staff member, will replace Houser as manager of the Oakland district.

HOUSER and his wife, Marjorie reside in Lafayette with their children, Pamela and William.

Douglass' career with Safeway began in 1934 when he joined the company as a food clerk in Oakland.

He was promoted to store manager in 1937.

"Doug," as his many friends and customers know him, for many years managed the Mt. Diablo Boulevard store and, when it opened, the South Main Street store from which he was promoted in 1958 to Safeway's San Francisco division office as retail operations staff member.

HE AND his wife, Iris, reside at 2366 Buena Vista Avenue, Walnut Creek, with their daughter, Gay.

Great Books Course Will Be Held at Co-op

A great books discussion group will be inaugurated this coming Thursday in the meeting room of the Co-op Center at 1510 Geary Road, Walnut Creek.

Participants meet for two hours every other week to talk informally about a book according to a pre-arranged schedule of readings; sixteen sessions make up the first years activities. There is no fee and purchase of the bound sets of readings as prepared by the Great Books Foundation is optional.

The proposed plan calls for meeting on the first and third Thursday of each month. Further calling Dr. John Wellmuth at either DR 6-4411 or YE 5-5934.

More than 300,000 persons in California are engaged in the processing and distribution of dairy products.

Governor Asks 'Speed Up' In Rapid Transit Planning

Governor Edmund G. Brown today called for a speedup of rapid transit planning in the state's metropolitan areas

He again urged legislative approval of SB 519 (Senator John F. McCarthy, San Rafael) to provide financing of a rapid transit tuble across San Francisco Bay if the area's voters vote a master bond issue to construct the rest of the system.

HE NOTED that State Director of Public Works Robert Bradford has told him that "all of our freeway plans are based on the presumption that rapid transit will be a reality in the Bay Area within 11 years."

"The state highway planners predict hopeless traffic congestion at peak commute hours by 1970 if a successful means of mass movement of workers to and from the job is not provided by that time," Brown reported.

"Mass transit must move out of the conversation stage soon and begin to carry its fair share of the load," the governor said. "The parking problem alone makes this essential."

"I BELIEVE our planned freeway and highway program, now getting into high gear, is the finest ever planned, but it never was designed to move all the people of California in 1970 or 1980."

The governor said he is as much concerned by the need to furnish mass transit to industrial areas on the fringe of metropolitan centers as to metropolitan core areas.

He said Bradford had told him that freeways and rapid transit must complement each other in order to avoid a complete breakdown in transportation of Califirnia's ever-growing population."

Bradford also endorsed the transit tube legislation, noting that a number of amendments jointly agreed to by the Bay Area Rapid Transit Authority and the Department of Public Works have been worked out for inclusion in the measure.

"SB 519 WOULD be of great assistance to the Bay Area Rapid Transit District in financing a system of the magnitude required to provide service for the Bay Area counties and to provide effective teamwork with the freeways," Bradford added.

The governor said he is informed that the bill, which once failed to move out of the Senate Transportation Committee, would soon be reset for further consideration.

'Safe Driver' Insurance Plan Available Here

The new "safe driver plan," announced by Fireman's Fund Insurance Company this week is available through Jack Pedder's insurance office in Lafayette.

As an agent of the fund, Pedder said that he was in a position to provide a substantial rate saving to safe drivers through the use of the new program.

"This is a truly sound program for safe driving motorists," said Pedder, "in that it doesn't heap penalties upon the driver for incidents that he cannot avoid.

"It does, on the other hand, give him the lower rates he deserves on the basis of his superior driving record."

The program was designed by Fireman's Fund Insurance Company and its affiliates with the advice of counsel of its independent agents throughout the state.

The fund is the largest property-casuality insurance company in the nation with headquarters in California.

New Officers Introduced at Annual Luncheon

The East Bay Children's Theatre introduced five new members from Contra Costa County to its ranks at the group's annual luncheon held recently at the Orinda home of Mrs. Jack Lackey, Jr.

They are Mesdames Eric Neilsen, Ronald Hubbard, Charles Van Duyne, John McPhee and Robert Short.

A brief business meeting was held precednig the buffet luncheon and the officers for the coming year were also introduced. Mrs. Jack Lackey, Jr. President for the last two years turned her gavel over to Mrs. Thos. R. S. Simonson of Piedmont.

Those from this side of the tunnel serving as officers will be: Mrs. Charles Morrill, Secretary; Mrs. Jack Lackey, Jr., Treasurer; Mrs. Rodney Saylor, Production Manager; Publicity, Mrs. Will Hall; and Tickets, Mrs. Thomas R. Gaines.

Other local members of the group enjoying the festivity were Mesdames: David Bullen, John Van Dyne, Robert Van Gelder and Clarence Overaa.

Plans for the coming year's production are still in the making and the schedule of play's will be announced at a later date.

Center Stage Players To Present Wouk Comedy

The Center Stage Players will present Herman Wouk's hilarious comedy, "Nature's Way," Saturday and Sunday, June 6 and 7 8:30 pm., at the Contra Costa Jewish Community Center, Lafayette.

A zany romp about the not-so-smart set of the New York theater world, the play is a surprising departure from the serious pace of the author who is well known for his "Caine Mutiny" and "Marjorie Morningstar."

Directed by Adele Bakon, leading roles are portrayed by Tianne Abramovitz and **Dick Pean.**

Supporting roles in order of their appearance are played by Marge Sterns, Macy Spellman, Pearl Bloom, Sidney Lifton Leon Cohen, **Trudi Selznick, Donald** Sterns, Benjamin Brudney, Herbert Martin, Arthur Weisberg and Herman Stutz.

"Nature's Way" is being produced by the C.C.J.C.C. Men's Club as its final fund raiser for the administration of outgoing president, Harold Bloom.

Proceeds go to the C.C. Jewish **Center Building Fund.**

Tickets are $1.50 and may be purchased at the door, or by calling Ways and Means chairman Al Zatkin, AT 3-6714, or ticket chairman Harry Lotzkar, YE 4-0887.

Beta Sigma Phi To Visit City

Kappa Tau Chapter of Beta Sigma Phi is looking forward to June 6, when members and their husbands will go to San Francisco to visit Yamata Sukiyaki House and the Starlite Roof.

The last meeting this year was held at the Pleasant Hill home of sponsor Mrs. Earl Kuchta. All members were asked to come in summer attire and the surprise of the evening was a picnic. Members also brought gifts for their secret sisters and each was revealed thru a poem describing themselves.

Gifts were presented to their sponsor, Mrs. Earl Kuchta, and outgoing president, Mrs. Phillip Churchill. Movies on the parties for the last year were shown and games played in the family room. One of the sorority sisters who recently moved to Phoenix from Walnut Creek, Mrs. Edward Kerber, surprised everyone by attending.

Mrs. Charles Looney of Pleasant Hills will have a coffee klatch Thursday for all new pledges to be rushed in the fall.

Members are looking forward to a busy summer with a barbeque and swimming party planned at the Orinda home of their new president, Mrs. Walter Edwards.

Work this wall will include sponsoring a booth in the Walnut Creek Festival.

Get Right With the Volks, Says Acalanes Hi School

Do you want to read the "Gebrauchsanweisung" for your Volkswagen in the original?

Do you want to travel in Europe, do research in German or speak German just for fun? If you do, a lively conversational summer course in the German language will begin on June 16 at 7 p.m. at Acalanes High School.

The course is sponsored by the Acalanes Adult School and is tuition free, except for a registration fee of $2 and the necessary books.

The classes will be conducted entirely in German, on three different levels, for beginners, intermediate students, and advanced students.

Registration now is open and early registration is advisable.

Call in person at Acalanes Adult Center, Acalanes High School, 1200 Pleasant Hill Road, Lafayette.

Promenade Tickets Available

A few tickets for the Promenade of Orinda homes to be held next Tuesday are available from Mrs. Douglas Raaka at CLifford 4-3571.

The tour, planned by the Womans Guild of the Community Church, is presented this year in place of the usual spring luncheon and promises to be very entertaining and enlightening for the guests who will view the six outstanding homes to be open.

General chairman is Mrs. C. M. Fish; co-chairmen are Mrs. Everett Howe and Mrs. J. E. Traynor.

Mrs. William Windle is in charge of the tea to be held at the Nathan Gray home throughout the afternoon and Mrs. Alvina Oliphant is in charge of transportation.

Guests are welcome to form car-pools and to arrange for child care at the church by calling CL 4-2650.

It is also suggested that comfortable shoes be worn for promenading the lovely gardens of the various homes.

Poolside fashions by Moraga Casuals and Ogdens Shops will be shown at the Cochran and Young homes.

Models are Kay Arends, Evangeline Dickinson, Bea Van Gelder, Elane Hafner, Betty Hollidge, Jean Hoyt, Grace Boyd, Nancy Davison, Tammie and Natalie Hartanov, Judy Howes and Charlotte Noller.

BRAKES

Avoid harsh use of the brakes of a new car, or the relined brakes of an older car, advises the National Automobile Club. Careful use will prevent scoring of the drums.

City of Hope Fund Drive Set in June

Three area residents recently were named to head local drives for the City of Hope National Medical Center, according to announcements this week from the group's headquarters in Walnut Creek.

Appointed were Mrs. Herman Silverman to head Lafayette-Orinda drive; Thomas Coll, third district supervisor, to guide the Concord-Pleasant Hill drive; and Douglas Page, a Walnut Creek attorney, to push fund drives in the Walnut Creek, Alamo and Danville districts.

The annual City of Hope Volunteer Neighbor's March will be conducted June 9, it also was reported.

Contributions will be sought during the march to support a three-point program of patient card, research and post-graduate medical education at the free, non-sectarian facility.

THE CITY OF HOPE operates on a nationwide scale. It accepts patients from all parts of the country and in turn is assisted financially by almost 400 auxiliaries from coast to coast and donations of individuals everywhere who subscribe to its humanitarian objectives.

Although approaching the half-century mark of service to others, the City of Hope never has presented a bill to anyone, says the group.

The medical facility is located near Pasadena. It accepts victims of physically, emotionally and financially catastrophic diseases on referrals from private physicians. It specializes in cancer, leukemia, blood, chest, and heart disorders.

Last year 26,000 persons received treatment.

Junior League Play-Day Set For June 9

Members of the Oakland Junior League will welcome their new provisionals at the annual play-day to be held Tuesday, June 9, at the Monroe Greenwood Ranch in Moraga.

According ot Hospitality-Chairman Mrs. Jerome Magee, box lunches and bathing suits are the order of the day.

Go to Church Sunday

Episcopal

A service of morning prayer will be held at 10:30 a.m. at the Park Theatre by St. Anselm's Episcopal Church on the First Sunday after Trinity.

JOHN COBB, seminarian at the Church Divinity School of the Pacific, who is assigned to Christ Church, Alameda, will conduct the service in the absence of the Rev. Clarence Stacy, vicar.

Children will gather for Church School classes as follows: Preschoolers at 979 First Street, kindergarten through second grade at 3515 Mt. Diablo Boulevard, and third grade at 949 Moraga Road. Fourth through eighth grades, as well as infants, will meet at the theatre.

The Episcopal Churchwomen of St. Anselm's will meet on Tuesday at 10 a.m. at the home of Mrs. J. R. Morrison, 3569 Silver Springs Road.

There will be a business meeting following the coffee hour.

ON TUESDAY evening at 8 p.m. at St. Stephen's Episcopal Church, Orinda, a panel discussion will be held on the proposed Parish Day School for the area.

All interested persons are welcome to attend.

There will be no service of Holy Communion on Wednesday, due to the absence of the vicar.

THE SCHEDULED meetings of the Finance Committee and the Bishop's Committee have been postponed one week.

The Alpha and Omega high school group is planning a barbecue and swim party to be held Sunday, June 7 from 4 to 9 p.m. at the Walter Meima home, 646 Glenside Drive.

Christian Science

How the armour of righteousness enables man to withstand the attacks of evil will be brought out at Christian Science services Sunday.

THE CHRISTIAN SCIENCE Churches in this area are located at 22 Orinda Highway, Orinda; 1347 Locust Street, Walnut Creek; and in Concord at the corner of Grant and Park Streets.

Christian Science Society of Pleasant Hill holds its services at the Pleasant Hill Grange, 600 Gregory Lane, Pleasant Hill. The Christian Science Society of Lafayette meets at 3406 Mt. Diablo Boulevard, Lafayette.

In the Lesson-sermon entitled "Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, Denounced," passages read from the Bible will include (Ephesians 6:11): "Put on the whole armour of God, that ye may be able to stand against the wiles of the devil."

CORRELATIVE passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include (571: 15):

"At all times and under all circumstances, overcome evil with good. Know thyself, and God will supply the wisdom and the occasion for a victory over evil.

"Clad in the panoply of Love, human hatred cannot reach you. The cement of a higher humanity will unite all interests in the one divinity."

Baptist

"Loving the Unseen" will be the message of Rev. Bruce H. Parker at the 11 a.m. worship service of the First Baptist Church of Orinda-Lafayette meeting in the temporary quarters of the Veterans Memorial Building, in Lafayette.

Sunday school will commence promptly at 9:45 a.m. with classes for all ages.

During the 11 a.m. service Junior Church and Nursery programs are conducted.

At 6:45 p.m. Baptist Youth Fellowship meets with club type classes for Junior High through College age.

The Book of Revelation is the subject of the 7:30 hour. After an enjoyable congregational sing the pastor will bring the message "The Two Witnesses."

Tuesday evening at 7:30 p.m. choir practice will be held at 15 Woodland Road, Orinda, under the direction of Mr. Ed English.

Wednesday evening at 7:30 p.m. the prayer and praise service will meet at 3258 Palomares.

ALL SERVICES will convene in the Veterans Memorial Building, Lafayette, while final plans are being drafted for the new Sanctuary of the First Baptist Church, unless otherwise noted.

Episcopal

The Rev. Cannon Trevor Hoy, director of Christian education for the diocese of California, will be the guest of St. Stephen's Episcopal Church, St. Stephen's Drive and Via Las Cruces, Orinda, for services of morning prayer at 9:15 a.m. and 11 a.m. on the first Sunday after Trinity.

THE REV. Albert Lucas, rector, will be the celebrant at Holy Communion at 8 a.m., and will conduct the morning prayer services, at which Canon Hoy will deliver the sermon. His topic will be "The Place of the Parish Day School in the Total Life of the Parish."

Church school will meet for kindergarten through eighth grade during the 9:15 service, and for three year olds through fifth grade at 11 o'clock, when there will also be nursery care for younger children in the basement of the rectory.

During all services memorial prayers will be said for the Rt. Rev. Karl Morgan Block, fourth bishop of the diocese of Californai, and for those who have died during the year in St. Stephen's parish.

SERVICES during the week will include the regular celebrations of Holy Communion on Wednesday at 10a.m. and Thursday at 7 a.m., and a service of confirmation on Thursday at 7:30 p.m. at which the Rt. Rev. and Venerable Henry Shires, bishop and archdeacon of the diocese of California, will minister the rite of the laying on of hands to a class of 15 young people.

On Sunday evening the Young People's Fellowship will entertain eighth graders, who will be eligible for membership in the group next year, at a barbecue at the home of Mr. and Mrs. F. H. Kronke, 5 Heather Lane, from 5 p.m. to 8 p.m.

All St. Stephen's eighth graders are invited, and any who have not been contacted and wish to attend are asked to call Laurie Gail Christie at CL 4-4018.

On Tuesday evening the subject of parish day schools will be further explored at a parish meeting at 8 p.m. in Hill Memorial Hall. A panel of authorities will discuss various aspects of the problem and will answer written questions from the floor.

The annual church picnic will be held on Saturday, June 6, at Laurel's Camp in Tilden Park, with games, races, prizes and refreshments for all ages. Families will bring their own lunches, and organized baseball and volleyball will start at 10 a.m.

On Sunday, June 14, an evensong service of thanksgiving for the ministry of the Rev. Albert Lucas, rector of St. Stephen's for the past 3½ years, will be held at 5 p.m., followed by a pot luck supper for which reservations may now be made.

The Lucases will be at St. Stephen's until the end of June, when they will leave for a vacation trip to the east before taking up residence August 1 in Bend, Oregon, where Mr. Lucas has accepted a call as rector of Trinity Episcopal Church.

Lutheran

'The Man Who Forgot" will be the subject of Pastor Hidy's sermon this Sunday at Shepherd of the Valley Lutheran Church, Orinda. Worship services are conducted at 8 and 11 a.m. with Sunday school at 9:30 under the leadership of Charles Ivy.

A nursery is provided for youngsters at the 11 a.m. worship service.

The Luther League will meet at the church at 7 p.m.

Baptist

"Help Thou My Unbelief" will be the theme of the sermon by Rev. Alan D. Southwell at the 11 a.m. worship service of the Moraga Community Baptist Church this Sunday.

Extended session is provided for kindergarten and primary age children during the worship service as well as a nursery for the convenience of parents and children.

SUNDAY SCHOOL for the entire family begins at 9:45 a.m. with a childrens story by Elsie Hunter.

All young people are invited to the junior high and senior high youth fellowship at 6:45 p.m. in the Moraga grade school. Come and enjoy the time of recreation and inspiration.

Women yokefellow group meets at 10 a.m. Wednesday at the Moraga grade school. A nursery is provided for pre-schoolers. This is a time of sharing, study and prayer.

All meetings are held in the Moraga grade school at the end of School Street off Moraga Way in Moraga.

Methodist

Lafayette Community Methodist Church will hold Sunday morning worship services at 9:30 a.m. and 11 a.m. with the Reverend Henry Page White preaching.

Nursery service is provided at both services. Church school for all ages is at 9:30 a.m. including a Bible class for high school youth and adults. The Methodist Youth Fellowship will meet at 7 p.m. Volleyball at 6:30 p.m. New officers for the coming year will be elected.

MONDAY the board of trustees meets at 7 p.m. and the official board at 8 p.m. Tuesday the Womans Society of Christian Service will have an executive board meeting and officers' training day from 10 a.m. to 2 p.m. Luncheon will be served.

Saturday the MYF will have a party at the home of Mr. and Mrs. J. McKennon.

Presbyterian

The Rev. William Carl Thomas of the Lafayette-Orinda Presbyterian Church, 49 Crest Road, Lafayette, will continue a series on the "Alternatives to the Christian Faith" on Sunday, with the topic "Is Communism a Valid Answer?" Worship services will be held at 9 and 10:30 a.m.

Church school classes for beginners through sixth grade will be held at 9 and 10:30 and nursery will be provided at both hours.

The Junior High Westminster Fellowship and the Westminster Campus Club will hold their services Sunday from 6 to 8 p.m. The junior department will hold a Bible study meeting Wednesday at 8 p.m., 624 Burton Drive, Lafayette.

Weekly Bible classes for women will be held Tuesday, 10 a.m., at the church; Wednesday at 10 a.m. at the church, and at 1106 Rahara Drive, Lafayette (no nursery); and Thursday at 9:30 a.m., 624 Burton Drive, Lafayette (nursery, 3186 Lucas Drive). Nursery provided.

Men's Bible classes will be held Monday at 8 p.m., 30 Tara Road, Orinda; and on Friday at a 6:45 a.m. breakfast at the church.

Children's choir practice will be Wednesday at 4 p.m.; and the youth choir at 7 p.m.

The fifth anniversary of the church will be celebrated over the weekend of June 4-7 with several special events. An all-church smorgasbord dinner will be held the evenings of June 4 and 5 (families from A-M will come the 4th; those from N-Z will come the 5th); special entertainment and fellowship will highlight the dinners. On Saturday, the women are invited to attend the annual retreat to be held in Alamo. The all-day affair will schedule speakers, music, food and fun, and tickets are available through Barbara Fuller, CL 4-2734.

On Sunday, June 7, the combined choirs of the church will present Mendelssohn's "The Elijah" at 8 p.m. at the church. Featured soloists will be Dorothy Byron, Chris Lacona and Dick Frock. The performance is open to the public.

Polynesian Theme Used For Installation Dinner

With the theme "Polynesian Paradise," the annual installation dinners for new officers of Orinda Branch, American Association of University Women, was held Tuesday night at the Orinda - Lafayette Presbyterian Church, Lafayette.

Authentic decor was used throughout the community room of the church.

Tables, decorated with tapa cloth, driftwood and gardenias, were set around a large pond of lilies and floating flowers.

A Polynesian beach scene was part of the setting with living palm trees, a tropical grass hut and an authentic 10-foot sailboat.

Huge fish nets, filled with colorful tropical fish draped the tall windows on both sides of the hall and torches were seen through the windows.

Two buffet tables were backed with grass screen and brass trays from the Orient.

Polynesian food was served in the exotic setting.

General chairman of the event was Mrs. P. B. Dawson; Mrs. Jack R. Simpson was responsible for the decorations. The Polynesian menu was handled by Mrs. R. A. Harrington.

Program chairman was Mrs. J. C. Roberts; and Mrs. B. W. Hotten was hostess chairman. Mrs. R. M. Bartle was reservations chairman.

New officers of the AAUW are Mesdames P. D. Bush, president; J. L. Goldeen, first vice president; P. B. Dawson, second vice president; R. E. Van Dyke, treasurer; H. J. Pfeifer, recording secretary; and J. A. Maga, corresponding secretary.

Newly appointed section chairmen are Mesdames W. J. Dodson, arts; Robeson E. Smith, books; R. M. Bartle, bridge; W. M. Kardy, bulletin; R. C. Williams, elementary and secondary education; M. D. White, higher education; E. W. Hughes, fellowship and P. R. Ward, historian.

Also Mesdames J. R. Simpson and T. F. Kling, hospitality chairmen; J. L. MacDonald, international relations; A. O. Anderson, legislative program; George Corwin, mass media; J. L. Gilmore, parliamentarian.

And D. C. Young, public relations; C. L. Newcombs, social and economic issues; F. G. Cook, status of women; John Bolliwinkel, telephone, and W. C. Carroll, yearbook.

Outgoing officers honored at the dinner were Mesdames J. L. Gilmore, P. D. Bush, R. M. Bartle, C. R. Moore, L. J. Tresconey and D. W. Raaka.

Covenant

Members and friends of the Lafayette Covenant Church, 925 Moraga Road, have been invited to attend a Memorial Day service at Oakmont Memorial Park on Saturday at 10 a.m.

The program has been arranged by the American Legion and other veteran organizations of Contra Costa County.

On Sunday, Sunday School will begin at 9:45 a.m., followed by the morning worship service at 11 a.m. with Pastor Mays bringing the morning message.

The Confirmation Class will meet at 5:45 p.m. and the Senior Hi-League will hold its meeting at 6:00 p.m. The evening worship service begins at 7:00 p.m.

BOY SCOUT Troop 403 will meet on Monday, June 1, at 7:30 p.m. at the church. The boys and their leader, Dick Ball, are planning for their week long hike in Yosemite beginning July 25.

The Ladies' Bible Study Class which was organized last September will meet on Wednesday, June 3, for "Coffee Time" at 9:45 a.m. This will be the last meeting until school resumes in September.

Prayer meeting and Bible study will be held on Wednesday night at 7:30 and the choir rehearses at 8:15.

THE HEARING before the Board of Supervisors in regard to our land use permit has been postponed until July 23.

The youth summer camps at Mission Springs are scheduled for July and late in August.

Counselors for these summer camps are urgently needed and they will receive training at a meeting to be held on Tuesday, June 2, 8:00-9:30 p.m. at the Oakland Covenant Church.

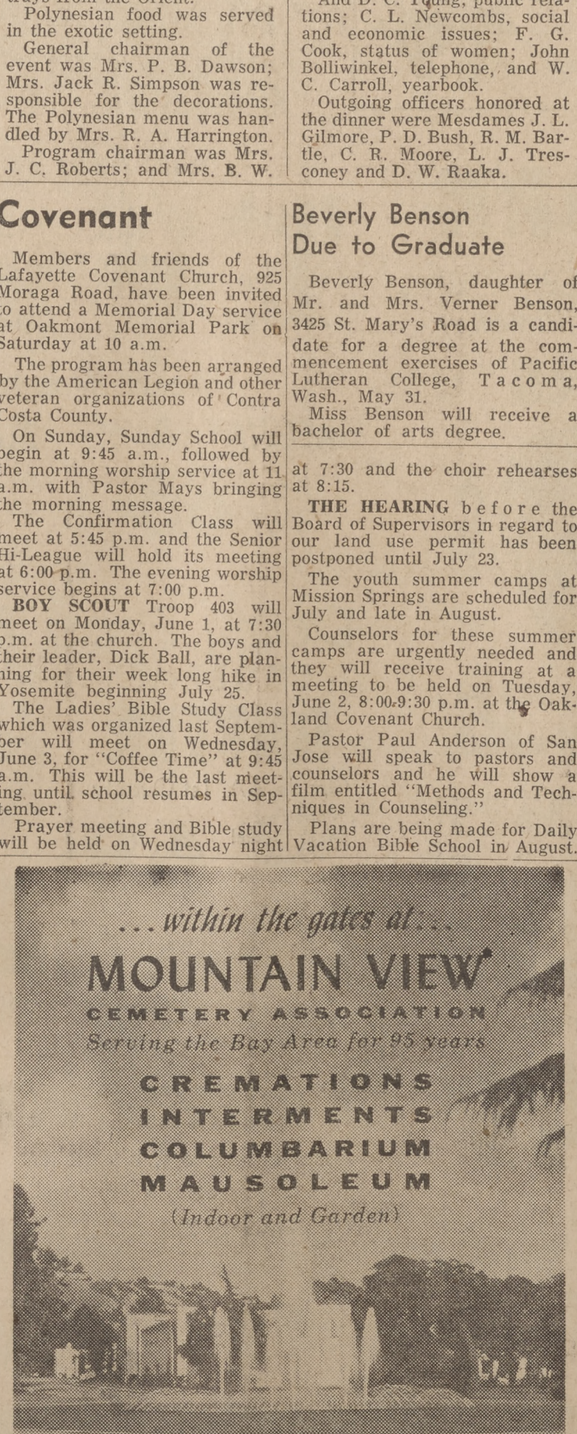
Pastor Paul Anderson of San Jose will speak to pastors and counselors and he will show a film entitled "Methods and Techniques in Counseling."

Plans are being made for Daily Vacation Bible School in August.

Beverly Benson Due to Graduate

Beverly Benson, daughter of Mr. and Mrs. Verner Benson, 3425 St. Mary's Road is a candidate for a degree at the commencement exercises of Pacific Lutheran College, Tacoma, Wash., May 31.

Miss Benson will receive a bachelor of arts degree.



Anniversary of Church Will Be Celebrated Here

Members and friends of the Lafayette - Orinda Presbyterian Church will join in the celebration of the fifth anniversary of the founding of the church, with a series of events slated for the calendar from June 4 through June 7.

Founded in 1954, the congregation moved into their present location, 49 Crest Road, last year.

BEGINNING the festivities will be an all-church smorgasbord dinner to be held on two evenings at the church.

On Thursday, June 4, families whose names begin with A-M will attend; and on June 5, families from N-Z will be present.

Special entertainment has been planned for both evenings, with featured singers to be Dorothy Byron and Chris Lacona.

Robert Clapp is general chairman of the dinners, and has the following committee chairmen working with him: Frank Liebold, tables, with arrangements to be made by the Women's Association; Mesdames H. J. Thomas and Harry Somers, food; Rockwell Smith, entertainment; Bruce Stringer and Jack Wakeman, cleanup; Mrs. Ned Robinson, publicity.

On Saturday, June 6, the women will attend the annual all-day retreat in Alamo. The event will feature speakers, music, food and fun, and tickets are available through Barbara Fuller, CLifford 4-2734.

THE ANNIVERSARY celebration will culminate with the presentation of Mendelssohn's "The Elijah" on Sunday evening, June 7, at 8 p.m. in the church Fellowship hall.

The combined church choirs will sing under the direction of Leonard Wecks. Featured soloists will be Dorothy Byron, Chris Lacona and Richard Frock.

The performance is open to the public and all are cordially invited to attend.

The Rev. William Thomas has served as minister of the congregation since its founding.

Mr. Leonard serves as director of music and christian education.

Father Quinn to Mark 25 Years In Priesthood

Rev. John P. Quinn, pastor of St. Perpetua Catholic Church, Lafayette, will celebrate his silver anniversary in the priesthood Sunday, June 7. Father Quinn will offer a solemn high mass of thanksgiving on that day at 12:15 p.m.

A reception will follow in the Parish Hall from 2 to 4 p.m. All of Father Quinn's friends are invited to join with him on this day.

FATHER QUINN was ordained to the priesthood in June 1934 by the late Archbishop Edward J. Hanna D.D. in St. Mary's Cathedral, San Francisco.

He studied at St. Joseph's Preparatory Seminary and at St. Patrick's Seminary in Menlo Park.

Since that time, Father Quinn has served as assistant pastor at St. Joseph's, Alameda, St. Teresa and St. Thomas the Apostle in San Francisco, St. Rita in Fairfax and St. Dunstan's, Millbrae. He was appointed first pastor of the Church of the Presentation in Stockton by the Most Rev. John J. Mitty D.D. in 1952.

From there, on July 3, 1956 he came to Lafayette.

Father Quinn is assisted in his work at Lafayette by Father John W. Morgan.

Ministers of the mass on Sunday will be classmates of Father Quinns' who are also Jubilarians this year.

CELEBRANT of the mass will be Father Quinn, Deacon — Rev. John J. Wagner, pastor of St. Mark's, Richmond — Subdeacon— Rev. Thomas P. Gilbert, pastor, St. Edwards, Newark.

Preacher for the mass will be Rev. Vincent I. Carroll, pastor, St. Thomas More, San Francisco; Master of Ceremonies, Rev. John W. Morgan.

Music for the mass will be furnished by the senior choir of St. Perpetua's Church.

Soroptimists Hear Doctor Tell About Heart Disease

At a recent meeting of the Lafayette-Orinda Soroptimist Club, Frances and Eleanor Godfrey, both of Orinda, were initiated int. the club.

Dr. Harold Robinson was the speaker at the Tuesday meeting of the Lafayette-Orinda Soroptimists held at the El Nido.

Chairman of the day, Mrs. Leal Blodgett, introduced Dr. Robinson, now in private practice in Walnut Creek.

A graduate of Harvard Medical School, formerly in practice in White River Junction, Vermont, and a founder-member and past-president of the Mt. Diablo Therapy Center, Dr. Robinson spoke on "Fears, Fables and Facts of Heart Disease."

POINTING OUT that more people die of heart diseases than of cancer and other diseases each year, Dr. Robinson enumerated the general categories of heart ailments. Coronary, hypertension, rheumatic fever and congenital heart conditions are the main classifications, he said.

Streptococcus infections, mostly during childhood, result in rheumatic hearts, Dr. Robinson explained. Many conditions are not readily detected.

CONGENITAL heart conditions are often corrected by surgery at the present time, he said. Research and experiment in this area continues to be extensive.

Hypertension, Dr. Robinson mentioned, is a disease peculiar mostly to the female of the species.

Coronary conditions are prevalent in the male.

Coronary is a problem existing in this country to a far greater extent than in other countries, he pointed out. He attributes this fact to the dietary habits of the nation.

Overweight is a principal factor, Dr. Robinson emphasized, pointing out that animals in their natural state consume only 5% of their calories in fat. The controversial question of animal versus vegetable fat has not yet been proven, said Dr. Robinson.

ANOTHER medical question is the results of daily pressure in our modern lives and personality types.

Physical stature and general make-up contribute to heart disease.

In conclusion, Dr. Robinson spoke of the pressing need of a community hospital in this area. Mentioning the shortage of beds in the existing hospital, he explained his interest in the future John Muir Hospital to be built on a 10-acre site in Walnut Creek.

Sixty-five doctors in this area have pledged funds for the building and necessary equipment.

At present further pledges from groups or individuals are needed for the proposed construction.

"This is to be a truly community hospital," he explained.

Hospital insurance groups such as the Blue Cross have accepted the hospital.

Robert Mossman Engaged To Marry Los Altos Girl

In a traditional candle-ring ceremony, Nancy Carol Nute, daughter of Mr. and Mrs. James C. Nute of Los Altos, announced to friends her engagement to Robert E. Mossman of Lafayette.

Nancy was graduated from Mountain View High School in 1957, attended College of Pacific at Stockton where she was an art major before transferring to Whitworth College, Spokane. She is majoring in religious education.

The prospective bridegroom, the son of Mr. and Mrs. Robert B. Mossman of Lafayette, graduated in 1957 from Acalanes High School.

He is studying for the Presbyterian Ministry and plans to attend Princeton Seminary in New Jersey on graduation from Whitworth.

James Bruce Mossman, brother of Robert, attends Acalanes High School.

No plans have been announced for the marriage of the couple.

Bray Elected President of County Development Unit

A. F. Bray Jr., Martinez attorney and member of one of the county's best known families, will serve as 1959-60 president of the Contra Costa County Development Association.

He will succeed V. A. Fink of Concord at the annual installation dinner June 18 at Concord Inn.

Others elected Tuesday night as the association's board met to tabulate ballots for the election of 21 directors were:

Vice presidents: Jack O. Fries and J. B. Towne of Martinez; Carl W. Rehfuss of Richmond; Gus Ostenson of Antioch; L. T. Schrieber and Henley Worthington of Concord and M. S. Thomson of Oleum; treasurer, C. P. Tanner of Oakland; corporate secretary, Iona M. Booth of Martinez.

Elected to serve three year terms as directors were:

Justice A. F. Bray, Drummond J. McCunn, Aubrey Macomber, L. E. Mullen and George Kelty of Martinez; Clifton Brooks and J. P. Gustafson of Lafayette; R. B. Claxton of Crockett; V. A. Fink, Verne Conway and Henley Worthington of Concord; Paul Edwards of Avon; George Jedenoff and W. B. Kelley of Pittsburg; A. S. Kimbrough, Arnold Irwin and Carl W. Rehfuss of Richmond; Otto Lichti of Port Chicago; Joseph Ragusa of Diablo, C. M. Stitt of Antioch and C. P. Tanner of Oakland.

Kelty, McCunn and Conway are new members of the board of 63; the others were re-elected. Kelty is a Martinez official of the AFL-CIO, McCunn is superintendent of the Junior College District and Conway is a Concord city councilman.

The newly elected president is the son of State Appellate Court Justice and Mrs. A. F. Bray and a grandson of the late Sheriff Richard R. Veale.

He is a graduate of Stanford University, a naval officer during World War II and a partner of Rep. John F. Baldwin in the law firm of Bray, Baldwin and Ogden of Martinez. His father was one of the founders of the Development Association and its second president, serving two terms from 1938 to 1940.

No Bowling In Rheem Says Realtor

Rumor had it this week that a new bowling alley was going up in the Rheem Center across from the Safeway Store.

Facts about the bowling alley began to gather momentum when owner Donald Rheem began clearing several acres in the center. The center, however, refused to comment, referring The Sun to the Mason and MacDuffie Rheem office.

An Unpleasant Word... And Moral Responsibility

Vandalism is an unpleasant word.

It is an unpleasant act, too.

One of the definitions in Webster's includes "hostility to, or willful destruction or defacement of things of beauty . ."

Last week The Sun carried the story of the defacement of a Lafayette classroom—nearly $1000 damage was done by person or persons unknown.

Included in the story was reference to destruction carried out in a Walnut Creek School.

CAN YOU REMEMBER when we had to carry stories of similar action in Orinda and Pleasant Hill? In one case it was a library, in the other a private home.

Unfortunately, these incidents are not uncommon. In the majority of cases, youngsters are responsible.

Responsible, that is, for the actual destruction. The moral responsibility can rest in only one place—on the shoulders of the parents.

But the blame is actually wider than that. When such an instance happens, we can blame the church, the schools and the community at large.

THE FACT THAT all of us are responsible, to some degree, in no way lessen the ultimate responsibility of the parents . . . the responsibility of knowing where their children are and what they are doing.

Nor does it lessen the important responsibility of parents to teach their children respect for the property of others.

We do not need to see the destruction of a classroom to have this fact brought forceably to mind. Respect is an attitude, and we see lack of it expressed in such actions as the uprooting of a planter box outside a merchant's store, or the trampling of a corner of a garden by young sters in a hurry.

To be human is to be young for a portion of our lives, and to be young is to face the prospect of a bewildering world. Confusion is everywhere when you are young, and sorting out proper from improper actions is always a difficult task—and sometimes a paradoxical one.

WE CAN ALL REMEMBER, as individuals, things that we did when we were young that were wrong. Many of them, thank goodness, our parents never discovered.

But this does not make those actions Right. Only in your own mind, where you know the motivations, can you assess Right from Wrong in a particular instance.

There can be nothing right in the wanton destruction of another person's property. It is a vivid example of Wrong . . . of a case where an individual was incapable of making a distinction.

We are not trying to be pessimistic about this. We are only pointing out that when such an action occurs in our community, it behooves us to look further into the matter.

And summer is coming. Youngsters will have more time on their hands. They will have more opportunities to evolve situations where a decision between Right and Wrong is required.

INEVITABLY, THERE will be more wrong decisions, simply through the increased opportunities to make them.

It is too late to start teaching your child a total moral concept between now and summer.

But it is not too late to consider the problem, the approach, and the result as you see it in the actions of those around you.

A Question of $45,000...

Industry is of vital importance to Contra Costa County.

Without industry—big industry and plenty of it—we would be unable to survive with any economic security.

It is the purpose of the Contra Costa County Development Assocition to "sell" the county to industry as a good location —to pave the way for the establishment of firms which will help provide our tax base.

We feel that the time is long overdue for a reevaluation of this entire program.

Let it be understood, right now, that we are not criticizing the Development Association as much, but only the use of public funds by the association.

LAST YEAR some $45,000 was budgeted to the ssociation from county funds. This is $3750 per month.

For some time many people have felt that perhaps the country is not getting its $45,000 worth.

Let's put it another way. We, as taxpayers, support the government and its operations. Are we getting $45,000 worth of service from the Development Association?

And, although the Development Association may be doing a good job, is it doing $45,000 job?

IF IT IS NOT, what should be done about it? We do not recommend that the county stop trying to woo industry to our fair shores. And we do not recommend that the county stop expenditures in this direction.

This is an essential part of county government. As the old age adage goes, it takes money to make money, and the county can well afford to spend a few thousand dollars to broaden our tax base and take some of the tremendous load from the shoulders of the homeowner.

Our only question is, are we selling ourselves to industry?

Again, we are not questioning the integrity of the Development Association, but raising the question of how $45,000 should be spent.

It's a Family Affair...

Is the cultural streak in your family in good condition?

Have you been paying your dues to the Muses lately?

If you want to have a first-rate bang-up time and probably learn a good deal at the same time, now is your opportunity!

The opportunity has appeared under the guise of the Diablo Pageant of Arts, and it is in full swing right now—probably even as you are reading this.

NOW MAKE NO mistake! This is not a Walnut Creek Show! Artists from all over the country, let alone all over the county, are represented, and residents from Orinda, Pleasant Hill, Walnut Creek, Lafayette, Danville and all other compass points are in their pitching!

The nicest part about the whole show is that it is a wonderful opportunity for the entire family to share an enjoyable experience. What better chance to introduce the youngsters to the fascination of a potters wheel, or the charm of a portrait taking shape right before their eyes?

THE QUALITY OF the art on display is tops, as are the creative people who submitted it. It is a tremendous show, put on by tremendous people, and it shouldn't be missed.

It is close to home, it is top flight artistically, and it is a fascinating show.

What more could a family ask?

So whether you decide to take an hour, an evening or spend an entire day at it, why not take the family and head for the Diablo Pageant of Arts.

Now showing in Walnut Creek through Sunday.

To Graduates: Get Out!

By JACK SEYMOUR

Soon The Day will be hard upon us and the voice of the Commencement speaker will be heard throughout the land.

Lin Yutang, the Chinese philosopher, once said that the three major American vices are efficiency, punctuality and the desire for success.

My advice to the graduates—not that anyone has asked me—is above all to re- the market-place are currently offering. sist the security that the merchants of

An article in The American Press reports that an instructor at William and Mary College says graduates at the school all received starting salary offers ranging from $375 to $445 per month.

In the May 22 issue of Saint Mary's College Collegian there is a cartoon by Pat Boylan showing a graduate, complete with cap, gown and diploma, saying to a prospective employer, "Yes, sir. I'll be glad to consider your company . . . You may submit a sealed bid along with the others."

Well, there isn't much we can do about this sad state of affairs because from the moment young people are able to see, hear and think they are subjected to commercialism.

One of The Sun's sharpest news editor, Bob Rapida, has a phrase which is good advice to graduates: It is "Get out!"

Bob uses these two words rather infrequently. But when he says them he usually means it.

So, if I may borrow them for a moment, I will hurl them at all graduates, living or dead, beat or bruised.

Get out! Get out into the world and see what makes it tick.

Don't accept that job with Amalgamated Steel or United Rocketship Makers, Inc.

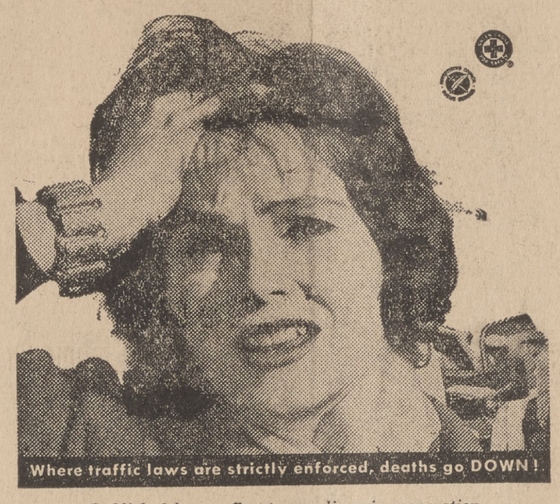
Drift around awhile. Don't be on time for something that will never take off.

Try being inefficient. You might even go about being a failure for awhile.

It won't hurt and you may find out a lot about yourself and the rest of the inhabitants of this crazy planet.

"How could a date have seemed so important?"

When your mind's not on your driving, you're dangerous! Your car can't think. That's your department—the driver's. So think about this. When your mind is on anything else but your driving, anything can happen—including an accident! Last year, nearly 37,000 Americans died on our highways. Many might still be alive if they or others had kept their minds on the road. So stay alert—and stay alive!



Where traffic laws are strictly enforced, deaths go DOWN!

A Word to the Wise - Smoke Gets in Your Eyes

By MARIE MONAHAN

THIS is the season for The Barbecue. The ritual of the victual, suburban ceremonial, the thing that we all Do.

We invite our friends, the City Folk — "Come for steaks" (& bees & smoke — Take home a case of poison oak!)

Then we don the gay apparel. Chef's hat, aprons, His & Hers, denim duds with saddles, spurs, shirts Hawaiian, Bermudas baggy, Keds & thongs & t-shirts saggy. Company comes in heels & hose, looks **AGHAST** at Our Old Clothes . . .

Is **THAT** a Bird of Paradise? No, just Dear Dad in his disguise.

This is the Life, say Hubby & Wife, real Country Living without any strife. Come sit in the patio chairs, light as a feather, the kind that take to **ANY** weather.

But the understatement of the year
Is that they're Collapsible, My Dear.
Better that YOU sit over here!

WARNING to Guests: The Chef will assail you, with all his new Cook-Out paraphernalyoo. The charcoal lighter, the new igniter, the stuff that burns the fire brighter.

The gadgets, indispensables, those stainless steel utensibles. The funny-faced wine-bottle corks, the big Bar-H long-handled forks. Asbestos mitts so fingers won't burn & the Roto-Baster that bastes to a turn.

OBSERVE, Dear Guest, you'll see a pound, of rich red choice Grade A Top Round, dwindle down to a measly mound. A portion just the size, oh so-so, about the shape of a wooden yo-yo & just about as **HARD!**

The children are squirting those plastic tomatoes, the catsup is spurted on salad, potatoes. The sauteed mushrooms spill in the soot. Eeeek! for the yellowjackets at the table, the mosquitos underfoot!

City Friend, if you're served a blob, well, you should know THAT'S Shishkebab. Done up on a skewer & hard on the chewer. To get it just right is a job.

The wind blows up, the smoke blows by. Have a cinder in your eye & dust some on the Apple Pie!

The chicken is hot & crusty & black (Still pink & tough!) but Smack! your lips, pretend it's fine, say "This Bird **IS** Deeevine!" & Guests who go for steaks done Medium are in for hours of toothpick-tedium.

BUT THERE'S something about it,
We can't do without it!
So much for the case of The Barbecue.
Some don't — & others know How To.

THANKS
Dear Editor

I wish to take this opoprtunity to thank you and your newspaper for the cooperation and coverage given to our group this year.

Our new publicity chairman Mrs. Jean Walker, will be sending the releases from now on, and would appreciate any suggestions you might make with regard to the form in which the publicity is presented or persons to whom it should go.

Dear Editor:

Thank you for your cooperation in printing the full texts of our recent publicity releases.

I feel it is important for the Democrats to receive coverage comparable to the Republicans from an "impartial" press, even though our numbers in the Orinda-Moraga area are admittedly smaller.

Trusting that I have not jeopardized your good-will by these remarks, we shall look forward to your continued cooperation.

RAPIDA'S COLUMN
Dear Editor:

I sometimes wonder if I am really out of step or not. Then along comes a TV play, movie, a single cry here or there from a minister, or John Doe and once in a while an article like Bob Rapida's "Alright — I've Had It!"

I realize then there are still men of influence willing to speak up against the popular form of diplomacy adhered to by our politicians and diplomats.

Although it is contrary to the opinion of most politicians and editors, I also wonder if the switch from one party to the other in the last election was not a direct protest from the majority of people against the method of dealing with world problems.

It has been said that the only time most people cry out is just as soon they didn't have to when they are dying. I would save the big bombs for the masses just because they are more merciful.

TED BARCELON.

SB 865
Dear Editor:

Good news for all of you who have been patiently awaiting the opportunity to vote on fluoridation of our local water supplies.

SB 865, allowing the East Bay Municipal Utility District to hold an election on fluoridation, passed the State Senate by a vote of 25 to 4.

On May 13th, the Assembly Committee on Public Utilities and Corporations passed on the Senate Bill, with a slight amendment, all of which tends to show that legislators are supporting EBMUD in their desire to allow people to vote.

Locally, the Board of Supervisors of Contra Costa County and the Orinda Chamber of Commerce both unanimously resolved to support SB 865.

All of this activity should tend to show there is strong public acceptance for fluoridation, secure in the knowledge that it is a safe, economical, and efficient process endorsed by our dominant national medical, dental, and health societies.

RICHARD W. LELAND

THANK YOU
Dear Editor:

On behalf of Humpty Dumpty Chapter of Children's Home Society of California, I want to thank you sincerely for the cooperation we have received and the fine publicity printed in The Sun during my term as publicity chairman.

Since a fund raising organization such as ours depends a lot on public response to various events, we are grateful for your printing our releases so faithfully.

You will be hearing from my successor in the near future.

Mrs. H. B. Allendorph.

FALLOUT
Dear Editor:

Congratulations to staff writer Bob Rapida for his Sun article of May 22, "Alright! I've Had It!"

Our generation is fouling up the air so that the atmosphere is poisonous with Strontium 90. Yes, the Russians are to blame, but we are also equally to blame for continuing to test our nuclear weapons!

Our kids will suffer with leukemia and our stupid argument is, "Only a few hundred will be addicted with cancer of the bone!"

But we have no right to do these things. A great man, Dr. Schweitzer, has issued a fine statement several years ago condemning such action. Both major political parties bypass this seroius danger in the name of security and defense.

What we do to our own generation in testing dangerous nuclear weapons is serious enough, but to commit this error and make the next generation suffer is un-Christian and inhuman.

Here Is Another Problem Facing Parents and Kids

By HERMAN SILVERMAN

Usually when I receive press material from federal governmental agencies, it goes into the special round file. But yesterday Doc Crandall sent me a speech report by Postmaster General Arthur Summerfield — "The Great Menace to America's Children: What You Can Do About It."

He refers to obscene and pornographic material being sold to children. Along with narcotics and liquor, this is becoming a major problem. It certainly is important enough to discuss with you today. Here is the problem and some answers, as outlined by Summerfield in a recent address:

"There is flourishing in this country a vile racket of huge proportions about which the public is not too well informed. This racket involves the use of the mails for the wholesale promotion and conduct of mail order business in obscene and pornographic materials.

We can estimate that the sale of these materials through the mails is running at more than 500 million dollars a year!

The especially vicious aspect of this racket is the fact that these purveyors of filth are aiming their attention more and more at the nation's children—teen-age boys and girls, and even younger.

They are dumping pornographic sewage into the hands of hundreds of thousands of our children—most of it material that has not been ordered—material intended to solicit the sale of utterly obscene pictures, slides, films, and related trash.

Where do addresses come from?

How do these merchants of filth obtain the names and addresses of children?

One of the most common ways is to offer, in a legitimate ad in a normal publication, the sale of a product of interest to a boy or girl. This would be stamps, or model airplanes, or doll clothes, and the like. These items are frequently offered at bargain prices.

The child, usually with the parent's assistance, sends for and receives the item. Now the smut dealer has the name on his list, and soon the child is receiving lewd solicitations through the mail.

Reaction from parents

You would also be deeply disturbed to read the letters our postmasters receive from parents. Such letters for example as one from a mother who wrote: "The enclosed material was received by my son, age eight years, a few days ago. Is there anything that can be done to stop this?"

Last year, our Postal Inspection Service investigated 14,000 complaints about obscenity in the mails. Nearly two-thirds of these complaints were from parents objecting to the receipt of lewd material by their adolescent children.

How about your child?

This is big business. It thrives on the curiosity of adolescents. It has no boundaries based upon social position, religion, race or location. Your child, or the child next door, may be on a list. Nobody is immune. Obscene mail is addressed to both sides of the track. It is well known to law enforcement groups that juvenile delinquency stems in measurable part from the demoralizing influence of exposure to obscenity and pornography.

And it well known that almost all sex criminals and sex murderers prove to have a long record of addiction to pornographic and sadistic material. Your children may never be exposed to this material. But they could be victims of sex criminals who have been exposed to it.

Is it clear the Congress is concerned with this problem. Much good should come from the hearings now being held by the House Post Office and Civil Service Subcommittee On Obscene Literature.

We are launching an intense and unrelenting effort to stop this monstrous assault on the nation's children in every way possible.

The records show quite clearly that the Post Office, over the years, has diligently tried to keep the mails clear of indecent material. It has done so even while subjected to attack and ridicule by those who hope to benefit personally from obscene mailings, and by those who, confusing liberty with license, unwittingly give them assistance.

Why is it increasing?

There appear to be two basic reasons for this rapidly growing volume: First, the huge profits realized from a relatively small capital investment; and second, the very broad definition of obscenity handed down by certain courts, notably in Los Angeles and New York, where the great bulk of the mail order business in obscenity and pornography originates.

We in the Post Office for several years have strongly urged legislation which would permit prosecution not only at the points of mailing of obscene material, but in the communities where it is received—where the real damage is done—and where citizens have an opportunity to express their standards of morality and decency.

Cooperation solicited

To make full use of this new legal weapon, however, the Post Office **must have the cooperation of parents and decent-minded citizens everywhere.**

As you know, the absolute privacy of the mail is one of our basic American rights. The Post Office Department can not, and will not, violate this right, even when it has strong evidence that the mail is being used for unlawful purpose.

The Post Office, therefore, can legally identify and take action against violators of the mails only on the complaints of citizens who receive such material.

To achieve this cooperation on the largest possible scale, our intensified program for action is four-fold:

1. To draw maximum public attention to the menace of this racket;

2. To urge parents to help us apprehend the mailers of filth to their children;

3. To help mobilize community support behind adequate law enforcement of local ordinances or state laws when these purveyors are apprehended and brought to court;

4. To rally public opinion behind new and stiffer legislation on obscenity.

Crooks know the ropes

Unfortunately, most of these smut merchants make such profits that they are able to retain high-priced lawyers who know all the tricks.

The process to take action is very simple.

First, parents should save all materials received including the envelopes and all enclosures.

Second, parents should report the material immediately to their local postmaster and turn the materials over to him, either in person or by mail.

On The Lighter Side

By CAROL HODGES

The Mt. Diablo Therapy Center was visited recently by 30 doctors from the Concord Community Hospital Medical Staff, and after a brief business meeting, caterers served a delicious dinner with the members of the Flamingo Unit hostessing.

The staff at the Center escorted the doctors through the buildings explaining the equipment, the wonderful work being accomplished then Juanita Benoy, charming as always, gave an INSPIRATIONAL talk on the background and future plans of the organization.

Helping to keep the "ball rolling" are the various units of the Center and the Tanagers of Orinda certainly did their part when they held a HIGHLY successful cocktail party at the home of Mr. and Mrs. Frank Walker. "Aloha hele mai" proved true as 400 guests and members attended. The party was held in the beautiful gardens surrounding the Walker home and Frank had more fun than anybody with his public address system—making quips and greeting guests. As the theme was "Hawaiian," Barbara Wayne did a fascinating hula, and leis were given out.

Capanes were made and served by the members of the unit while their husbands were kept busy behind bars—bartending, that is.

And welcome to a new unit . . .

The Oriole Unit, also of Orinda, is sponsoring a new junior unit from Miramonte High School and the girls with all their boundless energy are SO enthused. There is only one problem—WHAT bird name to use! So far, the names suggested have been ruled out for one reason or another but on June 2, a meeting will be held to decide once and for all!

The executive board, however, has been chosen and Mimi Case will preside as president; Sally Cary, vice-president; Sherry Stewart, secretary; Kathy Kline, treasurer; Marion Oakley, social secretary; and Bonnie Willes, membership chairman.

Our new state, Hawaii, will be in the limelight again June 6 as the Hummingbird Unit is having a cocktail and dinner dance at the Walnut Creek Elks Club, and if we don't learn the language pretty soon we will all be in the dark as to what's going on. The affair is called a "hulilau," and Hawaiian delicacies will be served buffet style.

Ellen Custard, Bonnie Hopkins and Camille Simpson will display their hula talents to the music of Emar Omania and his orchestra.

"Any old rags, bottles, sacks", is the hue and cry of the Cardinal Unit as they prepare for their rummage sale June 1 at the St. George Hall in Oakland, and garages and patios are taking on junk-yard like appearances—whatever happened to the old fashioned basements?

The unit is also happy to announce that nine new members have joined their ranks and were initiated properly at their recent Dutch Auction.

Speaking of Dutch Auctions, the one put on by the St. Perpetua's Women's Guild of Lafayette was enjoyed by ALL! Lemon tarts, delicious small cakes and coffee or tea were served before the ACTION began.

Better luck next time, father

Many very good items were auctioned, an exceptional one being a beautifully hand carved model of a ship (donated by a Lafayette member who made them as a hobby) which Father Quinn had his eye on but unfortunately did not obtain.

Some of the lucky winners were Helen Mikos, Helen Wasserlein, Mrs. Louis Winkler, Loretta Boyle, Jerry Bauhofer, Virginia Larsen, and Mary Louise Walsh.

Chairman was Nona Kruse, who looked like the breath of spring in a print dress with yellow background and a deeper yellow and brown design and matching yellow pumps.

Ginny Rarig did SO well as auctioneer and Bernice Stack was the timer, lovely in a lavender skirt and matching blouse. Committee workers included Pat Howard and Marianne Zivic who was consigned to the kitchen chores. By the way Marianne has a charming house guest, her mother, Mrs. Mike Thielen from Portland, Oregon.

Castlewood Country Club was chosen for the Anniversary Dinner Dance given by the Walnut Creek Lions Club and honored guests feted at a champagne party preceding the affair included the following charter members of the club—Mr. and Mrs. Ed Bradley, Mr. and Mrs. Frank Marshall, Mr. and Mrs. Guy Spencer and Mr. and Mrs. Jules Lemoine. Ed Barnett did a wonderful job as MC and toastmaster.

Noted in the happy throng were Vance and Ruby Perry—Ruby in turquoise taffeta with harem draped skirt and taking bows for the decor of coral floral pieces—Bill Francis having fun, his wife Nina in striking white chiffon accented with a black obi—Rheule and Louella Rietze, Louella in (ah this is it!) a white lace strapless formal trimmed in blue, and Al and Pauline Salarno who were having a WONDERFUL time.

Styles . . . but not out of this world!

We all know what is being worn at the country club these days, but a select group with the Mt. Diablo Chapter for United Nations elegantly portrayed what was and is worn in foreign ports last Friday evening as an international fashion show was held at the residence of Mr. and Mrs. Don Nicholson of Walnut Creek.

Leon and Betsy Rahn represented Mr. and Mrs. America in formal evening clothes—Betsy charming everyone in a VERY special gown from a fashion center in Los Angeles, and Leon was decked out in his tux by a local establishment. The authentic costumes of other lands were the possessions of the huband and wive who modeled them.

Mr. and Mrs. J. R. T. Montin acquired their outfits while living south of the border as did Mr. and Mrs. Felix Merz who brought their colorful Swiss outfits with them from Switzerland. Dr. and Mrs. Allen Longshore appeared resplendent in the regal lines of Arabian dress. The doctor had been stationed in India for some time.

Mrs. Hedy Wee, a former exchange student from China, and the Rev. Robert Tsu looked outstandingly exotic in their far-eastern dress. Mrs. Wee is now a local resident of Walnut Creek, and Rev. Tsu is the Episcopal Rector in this area.

His father is a bishop with the same church in China. Mrs. J. Deguchi and K. K. Tahira displayed the Japanese kimono and all that compliments it—Mr. Tashira is president of our Japanese-American Club.

The country of Norway was flattered by Mr. and Mrs. William Weil. Mr. Weil also represents his native country by officiating in the Sons of Norway.

The Hawaiian "delegates" were Mr. and Mrs. Claude McPhee. It is difficult to say which state could be called their residence as the McPhees reside as often in the island as they do in California. Germany was represented by Mr. and Mrs. Gerhard Jung; Serbia, Mr. and Mrs. Beverly Wilder; Arabia,, Mr. and Mrs. Roy Coates; and Alaska by Mr. and Mrs. Elmer Watson. Samuel Bradhard did a proficient job as commentator as guests and friends enjoyed coffee, sandwiches, cookies and other refreshments.

And a lucky youngster benefits . . .

This colorful group benefits one fortunate student a year with a $250 scholarship. The winner must write the best essay on "What the United Nations Means to Me" and any high school student in the Central Contra Costa County is eligible for entry, other funds are remitted to the American Field Service.

Looks as if some people have all the luck—taking trips so early in the season! Carl and Vesta Rasmussen of Orinda spent a few days at Alisal Guest Ranch, visited the Hearst Castle and enjoyed a beautiful trip up the coast.

Virla and Don Krotz, also from Orinda, have plenty to talk about as they have just returned from the Caribbean. They had visited 14 islands from Trinidad to Jamaica, and were in St. Thomas in time for the Carnival.

They also saw the Limbo record broken by expert dances in Trinidad and Voodoo Rites in Haiti.

Bethel Order New Officers

New officers were elected by Bethel 218 of the International Order of Job's Daughters at Lafayette at the regular meeting Wednesday at the Veterans' Memorial Building in Lafayette at 7:30 p.m.

Signups for the queen's dinner to be held June 10 at 6 p.m. also were taken.

Bethels 218, Lafayette; 238, Walnut Creek; and 247, Danville, yesterday met at the Danville Masonic Lodge to welcome the grand guardian to the State of California, Mrs. Dorothy Wise.

SIX NEW members were initiated with impressive ceremonies conducted by a combined group of 60 officers.

The activity fund was replenished by proceeds from the fashion show and silent auction, which was recently held in the garden of Relda Claussenius.

JUST LIKE THE couple on the cake are Mr. and Mrs. Verne Reynolds, who were married in early May at the First Presbyterian Church in Walnut Creek. Mrs. Reynolds is the former Miss Janet Cary and the daughter of Mr. and Mrs. Charles Cary of 2551 San Miguel Drive. The couple will make their home in Los Angeles. — Sun photo by John Komperda.

Sigma Kappa Alumnae Plan Bridge Parties

Next week will find Diablo Valley Sigma Kappa alumnae and their friends attending a ous members' homes. These parties will help to benefit the Sigma Kappa Beta Chi Chapter at the University of California at Santa Barbara.

This chapter is building a new sorority house on the Santa Barbara campus and funds will aid in furnishing and decorating the sorority.

Six hostesses entertaining at dessert and luncheon parties are Mesdames William Mesick, William Rei and Allen Seibert, all of Lafayette; Laurence Harper and Robert Ristenpart of Orinda; and Thor Johnson of Walnut Creek, assisted by Mrs. Daniel Murphy co-hostesses.

Chairmen planning the bridge parties are Mesdames Seibert, Peter Veitch of Orinda and Allan Nugent of Walnut Creek. Reservations may be made by calling any of the six hostesses.

Mills Alumnae Will Gather For Reunions

Mills College Alumnae from all parts of the country will convene on the Oakland campus next weekend to meet Dr. C. Easton Rothwell, president-elect of the college, and to hold class reunions.

A busy schedule of events for this weekend is being planned by the Alumnae Board of Governors, which includes Mrs. J. Blaker Herod of Walnut Creek, who is president, and Mrs. John Goldeen of Orinda.

Highlights include class dinners, the 80th annual meeting of the Alumnae Association with Dr. Mary Woods Bennett, acting president of Mills College, delivering a report on current affairs, and an alumnae family dinner at which Dr. Rothwell will be the guest speaker.

Alamo Women Will Install Club Officers

The installation Tea of the Alamo Women's Club will be held Wednesday at 1 p.m.

Officers to be installed for 1959-60 include: Mrs. S. DeAnglis, president; Mrs. B. R. Draper, first vice president; Mrs. L. H. Todd, second vice-president; Mrs. Donald Hughes, recording secretary; Mrs. H. L. Morris, corresponding secretary; Mrs. George Slavens, treasurer; and Miss Florence Turner, auditor.

Mrs. Corwin Henry is chairman for the tea. She will be assisted by the Mesdames L. Walker, C. R. Wallace, Albert Williams, E. G. West and Ed Thomas.

Others assisting are the Mesdames Harrison Wilson, H. K. Evans, LeRoy Thomas, Oliver Thorgenson and William Vincent.

Close of activities for the club will be June 12 at 1 p.m., when new officers will discuss dates and plans covering social and club events for the fall season.

Pam Baker Will Marry Bill Kullman

Pamela Baker is the bride-elect of William Kullman, her parents, Mr. and Mrs. Walter F. Baker of Lafayette, have announced.

The prospective bridegroom is the son of Mrs. Carolyn Coats of Dallas, Texas, and Mr. Russell Kullman, also of Dallas.

Bill, as he is known to his friends, makes his home, while in college, with his step-parents Mr. and Mrs. Carl H. Coats of Orinda.

An early fall wedding is planned for the couple at the Lafayette - Orinda Presbyterian church.

It's a Dessert Luncheon For Area DAR Chapter

The Acalanes Chapter, Daughters of the American Revolution, will hold its annual meeting Monday at the home of Mrs. Robert G. Windeler, 401 Las Lomas Way, Walnut Creek.

The affair will be a dessert luncheon held at 12:30 p.m.

Officers and chairmen will present annual reports, and the delegate to the Continental Congress, Mrs. A. V. Bayley, will report on the national meeting.

The chapter also will elect officers at the meeting.

Officers nominated include Mrs. Irwin Miller of Lafayette, vice regent; Mrs. Roy J. Heffner of Lafaeytte, recording secretary; Mrs. Bradshaw Harrison of Orinda, corresponding secretary; Mrs. R. R. Delareuelle of Walnut Creek, treasurer; and Mrs. Clarence G. Smith of Orinda, registrar.

Others are Mrs. Raymond C. Westphal, historian; and Mrs. Paul Kalff, Jr., librarian. Both are from Lafayette.

Following the election the officers will be installed by the Junior Past Chaplain General of the National Society, Mrs. Bruce Livingston Canaga.

New Officers of Clipped Wings Told; Plans Revealed

The East Bay Chapter of Clipped Wings participated in a joint inauguration of officers for 1959-60 in San Mateo recently.

A gala luncheon was the scene of the triple inauguration which is planned as an annual spring occurence by the East Bay, Palo Alto and San Mateo (including San Francisco) groups.

The new officers of the East Bay Chapter of CW include: Mesdames John Norris of Lafayette, president; Richard Diebert of Orinda, corresponding secretary; Richard Dunn, Walnut Creek, treasurer.

After accepting the gavel from outgoing president Mrs. John Tsarnas of San Lorenzo, Mrs. Norris announced the names of the chairmen of standing committees for the coming year. They include: Mesdames Lester Tarleton, Lafayette, Ways and Means; Terry Haws, Lafayette, Project; Joseph Lahey, Lafayette, publicity; Pen Whitehead, Walnut Creek, Historian; Thomas Neilsen, Walnut Creek, Courtesy; Jack W. Kirkpatrick, Lafayette, Social; Dear, Membership.

Among the items of interest at the joint meeting on the Peninsula was the information wired from the National Association for Retarded Children that National Clipped Wings was the second largest contributor to NARC during 1958.

There are now 25,000 former United Air Lines stewardesses organized into Clipped Wings in the United States.

The 1963 national convention has been scheduled to be held in Hawaii. Honolulu is the most recently chartered chapter of the group.

THE ENGAGEMENT of Margaret (Peggy) Gompertz and Blake Caruthers has been announced. Peggy is the daughter of Dr. and Mrs. John L. Gompertz of Orinda. Blake is the son of Mr. and Mrs. Robert S. Caruthers of Mountain Lakes, New Jersey. An Acalanes High School graduate, Peggy attended Castilleja School, Palo Alto and is now in her senior year at the University of California. Blake will receive his degree from Stanford University in June. The couple plan to be married July 11 in Orinda Community Church. A reception at Orinda Country Club will follow. — Hal Matson Photo.

Sycamore Branch to Tell Dos and Dont's of Fashion

What not to wear as well as what to wear will be shown Wednesday at a unique fashion show staged by the Sycamore Branch of the Children's Hospital of the East Bay.

Opening the show will be a model wearing an outfit best entitled Oh, how I hate to get up in the morning!

It will consist of a bathrobe which should have been discarded a few years ago, a similar pair of pajamas, run-down sliopers and the crowning touch —pin-curled hair.

Then, in direct contrast, guests will be shown how the model should have looked on greeting a new day. Sycamore's theme will be Around the Clock Fashions, showing a suitable costume for different occasions of the day—all from an exclusive specialty shop in Montclair.

Show models will include Mrs. Patrick Cunningham of Orinda and Foothill Branch; Mrs. E. F. Gulley of Lafayette and Heather Branch; Mrs. Ralph P. Hill of Lafayette and Orinda Branch; and Mrs. Lloyd E. Kindall, Jr., of Lafayette and Laurel Junior Branch.

Hostesses will include Mrs. Paul Haldeman of Lafayette.

The party will feature a salad bar luncheon and will take place at the home of Mrs. Phillip Holmes at 2556 Garisbrook Drive, Oakland.

Senior Prexy Installs Club Officers

Mrs. Arthur Larson, president of the Senior Women's Club, installed the newly elected officers of the Junior Women's Club of Walnut Creek in an impressive ceremony recently held at the Women's Clubhouse.

Each officer received a tape measure to accurately measure the duties of her job.

Installed to serve for 1959-1960 were Mrs. Harry Hemstalk, president; Mrs. Grovenor Fox, first vice president; Mrs. Roger Black, second vice-president; Mrs. Albert Taylor, third vice president; Mrs. Harry Du Bois, recording secretary; Mrs. Lloyd West, treasurer; and Mrs. Austin Merrill, corresponding secretary.

Others were Mrs. Robert Shanck, parliamentarian; and Mrs. John Rousset, auditor.

Also installed was Mrs. Claude Smith, who will serve as co-ordinator to the Juniors.

Mrs. Hemstalk, who was a delegate to the state convention of the California Federated Women's Clubs, Junior membership, held last week at the Mark Hopkins Hotel in San Francisco announced that the Walnut Creek Club received third place awards for work in Civil Defense and Safety.

Mrs. Charles Pratt Jr. of Walnut Creek is the newly elected president of the Mt. Diablo District, CFWC, Junior Membership.

In honor of their new officers the club has planned a dinner-dance to be held at Marsh Creek Lodge sometime in June.

Kathryn Farnham Marries Lieutenant John H. Vogt

At home in Alameda are Lt. (junior grade) and Mrs. John H. Vogt who were married recently in a ceremony in the Chapel at Treasure Island.

The new bride is the former Kathryn V. Farnham, daughter of Mr. and Mrs. John F. Farnham of Orinda.

Lt. Vogt is the son of Mrs. William Vogt of Murdock, Nebraska, and the late Mr. Vogt.

The bride was given in marriage by her father. Martha Pascale was maid of honor and Mrs. Joyce Underwood was the bridesmaid.

Lt. (jg) Stuart Sherman was best man and Ensign Thomas Walsh and Lt. (jg) Richard Hongsermeier were ushers.

The bride wore a floor length gown of tulle net and chantilly lace with appliqued flowers over ruffled net.

Her finger tip veil had a pearled tiara crown.

The new Mrs. Vogt carried white orchids on her mother-of-pearl/prayer book which is a family heirloom.

The maid of honor and bridesmaid wore white nylon gowns with yellow rose bud print. Yellow taffeta cumberbunds harmonized with the rose bud design.

They wore yellow velvet band hats trimmed with white pearls and soft yellow veils. Their flowers were cascade bouquets of yellow rose buds with yellow taffeta streamers.

The bride's mother wore a beige silk shantung dress, princess style, with matching accessories. The groom's mother wore a chiffon beige print with beige accessories.

A reception after the ceremony was held in the Treasure Island Officers' Club.

After a honeymoon in Carmel the couple are at home at 89 Maitland Drive, Alameda.

Attendants Chosen for Sawyer-Petersen Nuptials

Attendants have been chosen for the wedding of Carlette Sawyer and Ensign Halvor Niels Petersen.

The couple will be married Sunday, June 28 at Orinda Community Church.

Carlette is the daughter of Mr. and Mrs. Carl Sawyer, 86 Sleepy Hollow Lane, Orinda.

Halvor's parents are Mr. and Mrs. Christian N. Petersen of Chehalis, Washington.

Carlette is a gradaute of College of Pacific where she affiliated with Epsilon Lambda Sigma.

After graduate work at the University of California, Carlette spent three months touring Europe.

At present Carletta has a teaching position in Florida.

Halvor is a graduate of the University of Washington where he was a member of Delta Kappa Epsilon.

A helicopter pilot, Halvor is stationed at Ream Field, San Diego.

Carlette's bridesmaids will be Beverly Branch of Orinda, Ann Anderson of San Francisco, Diane Smith of Alameda and Karen Petersen of Chehalis.

Majorie Fish and Pat Monosmith of Orinda, will be in charge of the guest book.

Carlette will be home sometime in the middle of June to begin a round of pre-nuptial activities.

Bridge Will Aid County Hospital

The Contra Costa Alumnae of Gamma Phi Beta will hold a dessert-bridge at the home of Mrs. John Bartlett, 243 Glorietta, Orinda on Thursday, June 4 at 1 p.m.

At a previous meeting, Dr. Walton Kirk has spoken to the alumnae of the needs of the psychiatric ward of the county hospital so the proceeds from the dessert-bridge will be donated to this ward.

Dick Jarrett Will Marry Oregon Girl

The marriage of Richard Jarrett of Walnut Creek and Sara Rae Adams of Roseburg, Oregon, will take place on June 20.

Sara Rae is the daughter of Mr. and Mrs. Robert L. Adams of the Oregon City.

Dick is the son of Mr. and Mrs. Charles D. Jarrett of Walnut Creek. He was formerly a member of The Sun staff.

Sara Rae is a graduate of the Orinda school system beginning in the fall. She is an Alpha Chi Omega.

A graduate of Acalanes High School, Dick is attending the University of California where he is majoring in business administration. He is a member of Alpha Delta Phi.

30 pounds overweight and gaining every year!
. . . and then I discovered
Eileen Feather

Mrs. Carole Kalina, June, 1958, Richmond, California, young mother of 3 at 155 lbs. Dress Size 18

Mrs. Carole Kalina, after 2 months at Eileen Feather's; weight 125 lbs., measurements 35-24-35. Dress Size 12

MRS. KALINA HAD A FIGURE PROBLEM
"I had never been slim. I had been overweight since high school days."
EXTREME DIETING WAS NO HELP
"Dieting always made me irritable around the children. I always lost weight in all the wrong places and the weight came back as soon as I resumed normal eating."
EILEEN FEATHER PROMISED RESULTS
When I went to the Eileen Feather Salon for my figure analysis, her promise to give me a Perfect Figure seemed almost too good to be true, however, her clear and logical explanation of her method gave me just the confidence and determination I needed.
MRS. KALINA HAD A FIGURE PROBLEM
"At the Eileen Feather Salon I lost over 33 inches in measurements—my dress size came down from 18 to 12 and my figure was trimmed, firmed and shaped in just the right places. All these changes took place in just 60 days and, each treatment was a real pleasure. Best of all, Eileen Feather taught me the secrets of posture and figure control that will keep the weight from ever coming back."

Detailed Engineering Plan Started for Rapid Transit

Detailed engineering planning has commenced on the rail rapid transit system which the five-county Bay Area Rapid Transit District expects to submit to the voters in November, 1960.

Work began after top officials of the three firms selected as engineering consultants signed a $600,000, one-year contract with the district May 21.

PARTICIPATING in a brief ceremony were Walter S. Douglas, partner, Parsons, Brinckerhoff, Hall and Macdonald; John R. Kiely, senior vice president, the Bechtel Corporation, and Ralph A. Tudor, partner, Tudor Engineering Company. Signing the contract for the district were President Clair W. MacLeod and Secretary A. M. Conan.

Douglas said that signing of the contract signalled the launching of a "very aggressive attack on the problem of traffic congestion," adding:

"Dramatic growth has occurred in the post-war era in all of the metropolitan areas, but particularly in the San Francisco Bay Area. Developments and great progress have been achieved on almost all fronts except in the area of traffic congestion, where there has been substantial retrogression.

"The concerted efforts to find an integrated solution to traffic congestion here has significance to the country as a whole because in a very great measure the eyes of the other metropolitan areas are on the Bay Area to see what can be accomplished."

THE DISTRICT'S chief engineer, Keneth M. Hoover, explained that under terms of the contract the three firms will be required to complete detailed plans by May, 1960, for a rail rapid transit system serving the counties of Alameda, Contra Costa, Marin, San Francisco and San Mateo.

After approval of the plans is obtained from each of the boards of supervisors, the plans will be submitted to the electorate in November, 1960, he said.

"The engineering firms selected," Hoover added, "represent the best possible combination of talents. The Parsons firm is known nationally for its knowledge in the transit field, with experience dating back to the design and construction of the first subway in the United States. The Bechtel and Tudor firms, on the other hand, have intimate knowledge of the Bay Area and are well qualified in such fields as traffic engineering and construction design.

"GENERALLY, THESE firms will make a complete review of routings throughout the five counties proposed in the studies conducted by the former Bay Area Rapid Transit Commission, analyze carefully the type of transportation equipment to be proposed for the final system, reanalyze the traffic to be diverted to the transit system, review the possible routes where rapid transit can be located in conjunction with freeways and closely coordinate their work with the planning, engineering and transit officials of all of the counties.

"In addition," Hoover said, "to be certain that the San Francisco Bay Area will have the most modern transit system in the world, our engineers will examine carefully the possible applications here of new methods of communications, power supply and distribution, automatic or semi-automatic operation of train equipment and the use of new methods to provide for a simplified fare collection system which would permit billing of users on a monthly basis similar to that employed by other utilities.

"They also will review methods of construction to make possible the provision of the best possible system at the least possible cost."

HOOVER SAID the firms have established a project office at 833 Market Street in San Francisco and that Daniel R. Neff, of the Parsons firm, has been assigned as resident project manager.

Neff's most recent assignments have been as project manager on design and supervision of construction of large freeway projects in New Jersey and Virginia.

CHECKUPS

Make it a habit to have regular professional checkups of your car, especially before long trips, advises the National Automobile Club.

Swimsuits to be Shown at Magnin's

Today from 10 a.m. until 7 p.m., Joseph Magnin will present an informal modeling of swimsuits by Catalina, according to Betty Batesole, manager.

The event will take place in the Joseph Magnin Sport Shop 1224 Broadway, Walnut Creek—in the Broadway Shopping Center.

Joseph Magnin is open until 9 today but the continuing fashion show of beach wear will end at 7 p.m.

The newest creations in lovely swimsuits by the world-famous Catalina designers will make everyone want to rush to poolside or her favorite beach.

This year Catalina suits are truly superb creations. The originality and dash of the nation's top designers will be shown in the modeling.

Catalina has long been known through the world as creators of swimwear that consistently takes first awards in style competitions.

Here is milady's opportunity to see a preview of the styles that will grace the smartest resort areas this summer—as well as at the exclusive country clubs and hotel pools.

Remember, the excitement will go on from 10 a.m. until 7 p.m. at Joseph Magnin's in the Broadway Shopping Center.

Brown Signs Four Contra Costa Authored Measures

Four bills, authored by Contra Costa's legislators, were signed into law recently by Governor Edmund G. "Pat" Brown.

The bills are:

AB 527 (Assemblymen S. C. Masterson, El Sobrante, and Jerome R. Waldie, Antioch, both Democrats) sets up an alternative procedure for formation of water improvement districts, and for leaving and collecting taxes for them.

SB 230 (Senators George Miller Jr. (D), Martinez; Fred S. Farr (D), Carmel, and Edwin J. Regan (D), Weaverville, reduces to two-thirds the previously unanimous vote required to grant a loan to a bank director or officer by a board of directors, in order that a single director cannot control loan policy.

AB 1652 (Masterson, Waldie and Assemblyman Louis Francis (R), San Mateo, a technical bill, correcting an erroneous cross-reference to the Health and Safety Code pertaining to abatement of housing nuisances.

The lyric grace of an enchanting floral wreath in subtle tones of blues and browns gives this charming pattern the youthful rhythm of a Spring song. The sculptured highlights and gleaming platinum edge enhance its loveliness. 5-pc. place setting $21.95.

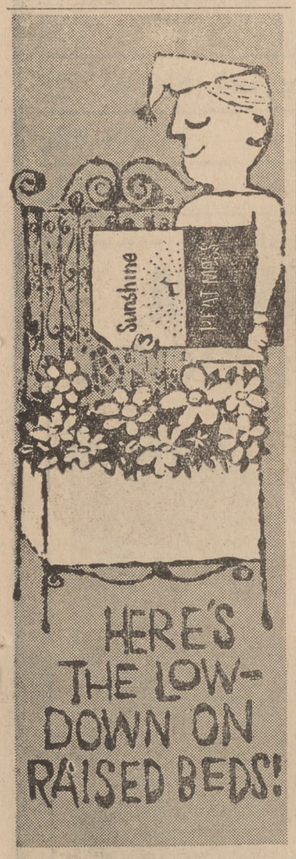
Nearly Everyone Reads The Sun



Raised bed gardening cuts down maintenance and makes the homeowner an outdoor "decorator." And the University of California has developed an almost foolproof soil mix for raised beds. U.C.'s system calls for ½ peat moss, ½ sand, plus fertilizers. The results: controlled fertilizing and watering, low maintenance, no more problem soil, and a lovely garden! Sunshine Peat Moss is ideal for the new mix. The reason: it's *Sphagnum*, best because it has long-lasting — and the highest — organic content, and holds the most water.

Your Garden

Plant a Garden Screen For Intimacy, Privacy

The garden screen is not new, but it has come to focus in recent years. In a less crowded past, planted screens were used to mark a distant property line or to soften the prevailing wind.

Today, however, with civilization closing in, they give the privacy which small city lots can hardly do without.

Your garden needs a screen if it lacks intimacy and privacy, if it overlooks a clutter in the neighbor's yard or takes a beating from the wind.

A planted screen will also block off the sounds of traffic along a busy street.

CONSIDER THEN the best way to provide it. Possibilities include architectural screening material and/or plants.

The California Association of Nurserymen points out that a planted screen can stand alone, but an architectural screen is cold and harsh without plants used in conjunction to soften the lines.

When planting a screen you have two approaches. In one, you plant with vines on a trellis framework. The other, which we'll consider here, is to plant shrubs and trees which in a very short time will fill in to meet your needs.

The first screen plant that comes to mind is Japanese Privet. It is more common as a medium hedge plant but makes an excellent 6 or 7-foot screen that provides all the privacy you could ask.

If left unsheared it will reach 10 feet in height.

The clumping Hedge Bamboo and the more rampant Golden Bamboo are both well suited to screens. Their habit is light and airy — a distinct contrast to the dense Privet and a picturesque backdrop to the patio area.

FOR TALLER screens, better in the background where they don't overpower the immediate area, are the familiar Brush Cherry with its glossy, coppery-green foliage and edible, but not especially palatable red fruits; the Tarata Pittosporum, a light green background shrub or small tree which bears fragrant pale yellow flowers in summer.

Also Carolina Cherry and Catalina Cherry should be considered and English Laurel, a large leaf laurel of uncompromising habit that can be left unpruned or pruned to fit the need.

All are worth considering, and at least one may be just the screen plant you need.

Southern Women Began Tradition Of Memorial Day

While the south was fighting to free itself from the union, its women were planting the beginnings of one of the most reverent national holidays of the U.S.—Memorial Day.

The nation was still torn by the Civil War when southern women began to honor the dead from both sides of the Mason-Dixon line by scattering flowers on their graves.

ACCORDING to research experts with the World Book Encyclopedia, the women of Columbus, Miss., decorated the graves of Union and Confederate soldiers in 1863.

Two years later, Mrs. Sue Landon Vaughn, a descendant of John Adams, second president of the U.S., led some women in strewing flowers at a military cemetery in Vicksburg, Miss.

As the custom spread, General John A. Logan, commander-in-chief of the Grand Army of the Republic, was persuaded to set a uniform date on which to honor the Union dead.

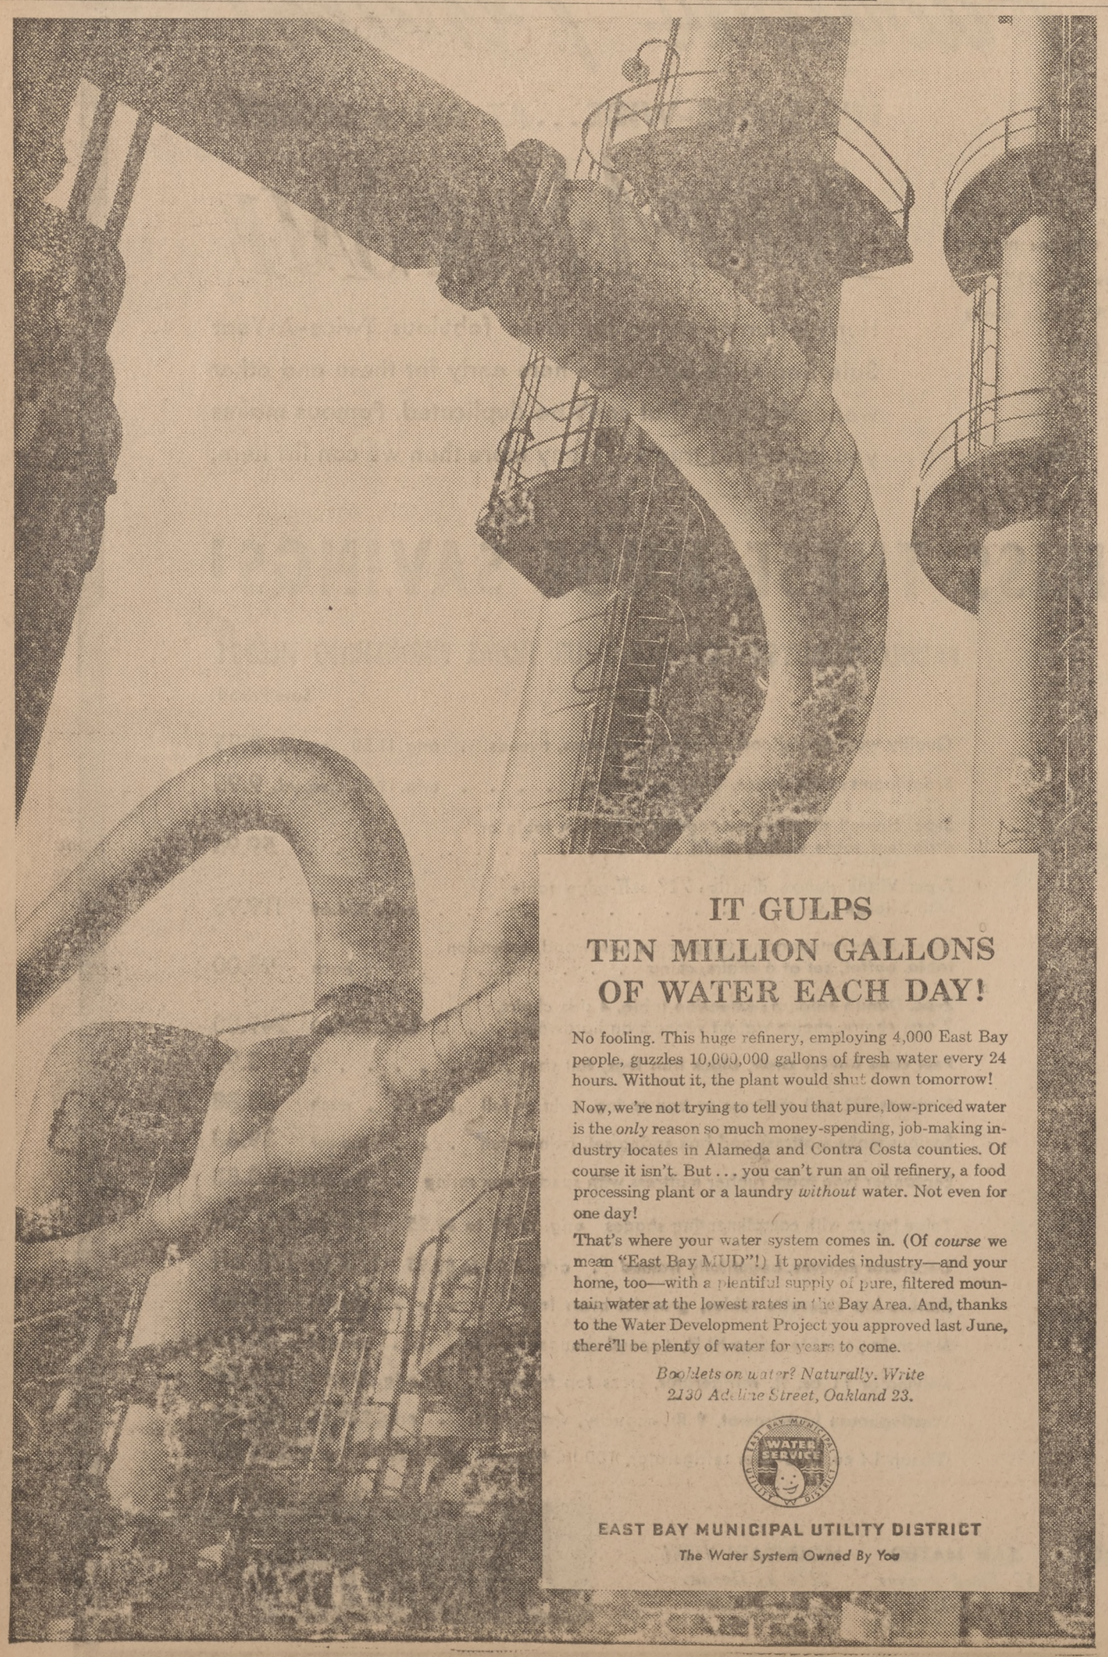
WATCH FOR THE GRAND RE-OPENING!



IT GULPS TEN MILLION GALLONS OF WATER EACH DAY!

No fooling. This huge refinery, employing 4,000 East Bay people, guzzles 10,000,000 gallons of fresh water every 24 hours. Without it, the plant would shut down tomorrow!

Now, we're not trying to tell you that pure, low-priced water is the *only* reason so much money-spending, job-making industry locates in Alameda and Contra Costa counties. Of course it isn't. But . . . you can't run an oil refinery, a food processing plant or a laundry *without* water. Not even for one day!

That's where your water system comes in. (Of *course* we mean "East Bay MUD"!) It provides industry—and your home, too—with a plentiful supply of pure, filtered mountain water at the lowest rates in the Bay Area. And, thanks to the Water Development Project you approved last June, there'll be plenty of water for years to come.

Booklets on water? Naturally. Write 2130 Adeline Street, Oakland 23.

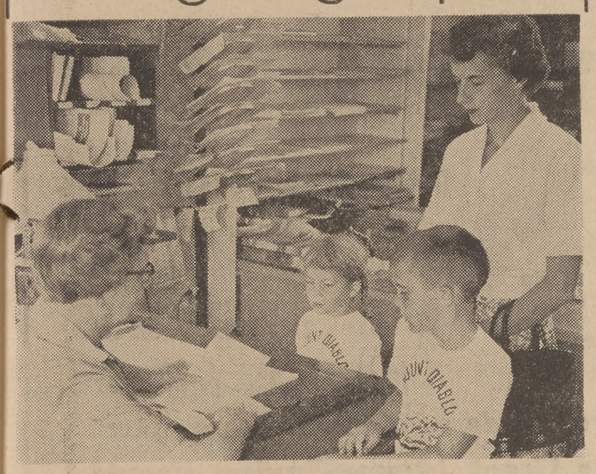
The Sun Goes on a Trip to YMCA Camp

The Sun
Friday, May 29, 1959

THESE YOUNG MEN exemplify the motto by the Mt. Diablo Young Men's Christian Association: Building Men to Match Our Mountain. The mountain, Mt. Diablo, is in the background. Picture was shot with a Series I Filter f/22 at 100, underdeveloped.

Signing Up



SIGNING UP for YMCA camp, these youngsters are typical of the hundreds who will attend one of the Y's many programs this summer.

Gualala: Where Dreams Come True for Many Boys

Camp Gualala is located near Annapolis among the beautiful Sonoma redwoods about a three-hour drive from Central Contra Costa.

With over 400 acres of woodlands and fields, ample space is assured for all camping activities.

Facilities include a spacious dining hall, a youth lodge, health building, chapel, office, craft house, sleeping quarters in cabins, flush toilets, shower baths, outdoor swimming area, boating area, rifle range, archery range, ball field, camp craft outposts — in fact, everything a parent or boy could hope for in a camp.

COUNSELORS AND STAFF are selected for their qualities of character, leadership and skills in various phases of camping. Every effort is made to secure the services of men who can bring out the best qualities of boy campers, whether in living groups or activity groups.

Camping at Gualala is conducted on an inter-racial basis and in accordance with standards approved by the American Camping Association and Area and National Councils of the Y. M. C. A.

Transportation round trip is included in the camp fee. Large, safe buses are used.

Every precaution is taken to insure the health and safety of each camper. Balanced meals are planned and prepared by expert cooks.

FRESH VEGETABLES and milk are served daily.

A graduate nurse is in residence at camp. Swimming is permitted only under supervision of qualified YMCA Certified Water Safety Instructors and Life Guards.

All camp activities are carefully supervised.

The Mt. Diablo YMCA's Rolls Include Opportunity For Leadership, Service, Dedication and Devotion

The Mount Diablo Young Men's Christian Association serves the communities of: Moraga, Orinda, Lafayette, Walnut Creek, Alamo-Danville, Pleasant Hill, and Concord.

It was chartered by the National Board as the newest YMCA in the United States January 1, 1958, and is incorporated s a non-profit organization with the State of California.

THE REAL WORK of the YMCA is carried on by lay voluntary members and is completely autonomous. It has as its purpose helping develop Christian personality and helping to build a Christian society.

The YMCA is heavily involved in program activities but not for activity sake.

YMCA program is purposive.

It seeks to provide opportunities for youth to develop to the fullest of their capacities, to be able to stand on their own feet and contribute to life, creatively selecting the values that shall guide them in their friendship, their leadership and their service.

BUT THE YMCA is more than a program. It is a ministry expressed in a way of life. Serving people is a task half done. Setting these people at work building a better community completes the task.

Established as the East Contra Costa Branch of Berkeley in 1952, the Mount Diablo YMCA has grown from fifteen clubs serving 300 young people to over one hundred groups serving 4500 boys and girls, young men and women.

Initially quartered at a desk in a paint store on Mt. Diablo Blvd., the "Y" has moved to 1537 Sunnyvale Avenue, Walnut Creek, with office, club rooms, and kitchenette.

A capital fund has been started for future property and building sites.

THE COMMUNITY'S attitude toward developing Christian character is best shown in the caliber of person found serving on the YMCA Board and Committees.

Business and professional people with a clear understanding of life's real values determined to provide an opportunity for young people to know them, compose Board and Committee membership.

In the spring of 1951 the Extension Committee of the Berkeley YMCA financed a subjective interview survey of leading individuals and groups in Central Contra Costa County as to the need and desire for a YMCA.

The survey indicated that the primary emphasis be placed on work with younger boys and high school age. As a result, today primary work is with the Y Indian Guides, high school youth and both resident and day camp.

Such things as Gra-Y Clubs, coed intermediate groups, recreational programs in areas outside Recreation Park Districts, a pilot experience with a father-daughter program comparable to Y Indian Guide and co-ed camping, have been among the many 'Y' programs.

HOW DID or do these programs fit in to the purpose of the Young Men's Christian Association and what was our rationale for sponsoring them in this area.

1. The purpose in the "Y" Indian Guide field is to foster the companionship of father and son.

A second purpose is to offer fathers material which will help them to learn to become better fathers and also better understanding of their offspring. In this regard the program can be considered young adult work.

2. The Hi-Y Tri-Hi-Y programs for high school men and women offer an opportunity in leadership training and to help develop increased civic consciousness.

3. Camping.

CAMP GUALALA in the Sonoma Redwoods has been in existence since 1929 and has fine program content and is ideal climatically and geographically for young boys.

Day camp programs which grow yearly, serve children 6 to 12 in two different sites in the central county area.

These three programs, "Y" Indian Guide, Hi-Y Tri-Hi-Y and camping seem to be serving a need in the community and plans are to continue them in a similar relationship for the years ahead.

'The Staff'

PLANNING THE Y'S many programs are Lee Fridell, Earl Allen, John Price, Don Krammpe and John Boswell. Price is executive director of the Mt. Diablo Y.

Day Camp Offers to Boys, Girls a Full Day of Fun

The Mt. Diablo YMCA Day Camp program for girls and boys 6-12 years of age is planned to give them a constructive group experience unde rleadership of the best adult program people available.

It is designed to give youngsters the opportunity of having new experiences, functioning effectively as members of a group, and coming to a wider understanding of the world about them.

FOR PROGRAM activities boys and girls are organized into Camper Groups of eight to 10, each headed by a qualified counselor.

The Mt. Diablo YMCA Day camps are located at Curry Creek Park, east of Clayton and Little Hills Ranch, west of Danville.

Campers will be picked up and returned to specified entral locations in their own communities.

Transportation will be by bus, station wagons and auto.

FEES FOR THE day camp cover all costs including limited health insurance.

Children supply only lunch, personal equipment and clothing.

The above charge includes transportation to and from camp plus health and accident insurance.

Additional optional expenditures will include camp store, craft supplies. The average child will spend about $5 in a single period.

Rates for High Sierra Pack Trip: members, $36.50; non-members, $38.50.

GYMNASTIC CAMP

Something brand new will be offered this year by the Mt. Diablo YMCA at Camp Gualala.

A seven day gymnastic camp clinic has been planned from August 2 until August 9 and will be directed by Hal Frey, gymnastic coach at the University of California.

Cost of camp is $45 with $5 additional fee for transportation to camp. Gymnastics Clinic Director is Hay Frey, gymnastics coach at the University of California.

Staff includes:

Dr. D. Watts, Medical Advisor; Nils Benson, Danish Gymnast; Irv Faria, Coach; Gordon Maddux, Coach, Pleasant Hill High; Bill McAllister, Madera Union High; Ami Lesso, Coach, Live Oak Union High; Ernest Smith, Evening Program.

Martha Tsuchiya, Camp Nurse; Betty Dali, Instructor, women and girls; Ellen Taylor, Instructor; Leah Lesso, Instructor; Ron Graham, Trampoline Specialist; Earl Hobbs, Sacramento Turner; Howie Moorman, Coach.

For campers who are not YMCA members, there is an additional fee of $2.50 for administration and registration.

The Swimming's Fine

WHOLESOME FUN. This is one of the keys to the Mt. Diablo YMCA's program. But, along with the fun, the 'Y' gives to the youngsters a sound basis in community responsibility and Christian motivations.

The four to represent the Dons at Bakersfield will be picked among Chris Rinne, Dave Schwartz, Billy Booth, Mike Minietta and Tanny Hauscom.

(See Sideline Slants: This Page)

ALTHOUGH THE Dons will be represented at Bakersfield, the rest of the Diablo Valley Athletic League had rough going at the North Coast Finals at the University of California Christie Oval Saturday.

Dixon Farmer of Miramonte took the 440 in :48.9 and nabbed second in the 180 yard low hurdles while going unplaced in the broad jump.

Farmer was handicapped in that event due to a bruised heel.

TOM WEBB of Pleasant Hill copped a second in the 100 yard dash while Pittsburg's Vince Darone won the 120 highs in :14.7 and placed third in the low barriers.

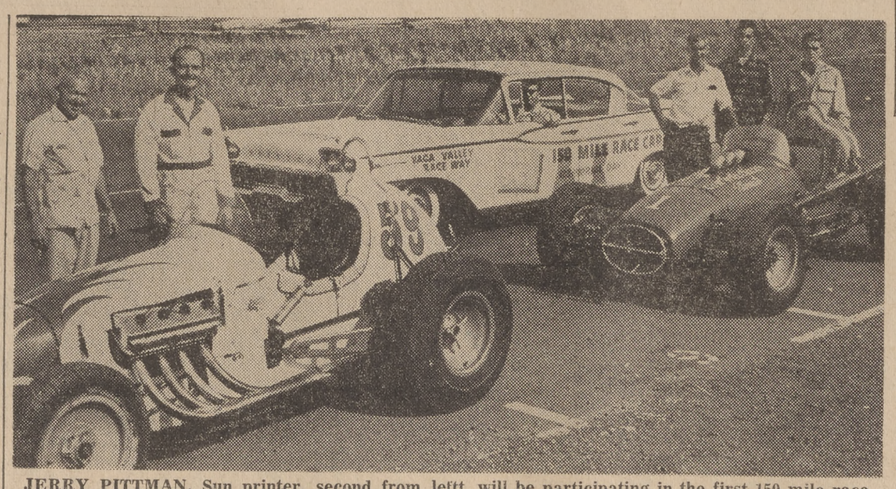
Mack Enz of Antioch was the only other varsity man to qualify for the state as he won the 220 at 21.5.

Milt Howe of Orinda was the only other point getter with a fifth in the 880.

ONLY THE TOP three in each event qualified for the state meet to be held at Bakersfield tonight.

Berkeley High, as expected, won the North Coast meet as they edged Vallejo 28-27 for top honors.

Miramonte was fourth with 14; Pittsburg fifth with 11; Antioch, 11th, eight; Pleasant Hill, 20th, 5.



JERRY PITTMAN, Sun printer, second from leftt, will be participating in the first 150 mile race car classic at Vaca Valley Raceway tomorrow. With Pittman are Bob Dowdle, left, Ed Capps, Lou Worden, E. B. Beal and Bill Sullivan.

Pittman to Race in Vaca Valley Classic

Jerry Pittman, Sun printer, will be there when 33 Indianapolis cars roar off the starting line for the first 150-Mile Race Car Classic at the Vaca Valley Raceway at 2 p.m., tomorrow.

The west's first Memorial Day Classic, to be run Monza style on the new paved mile-and-a-quarter raceway, will feature a number of new roadster sprint cars, with unlimited engines.

"NO MATTER what the make, size or power, it will be legal," said Charlie Curryer, well known racing figure who is promoting the first Memorial Day Classic.

Entries to unlimited cars were opened by the California Racing Association, which is sanctioning the race. Indianapolis race cars are limited to 256 cubic inches but many of those entered at the new Vaca Valley Raceway will top that. ,

Del Fanning, of Seattle, Wash., for instance, has a Ranger airplane engine lying on its side, mounted in his roadster type spring car.

Bill Finley, Long Beach, has entered a radically different roadster, listed as the Finel Fibre Glass Special. This low slung number has a GMC engine mounted flat on its side.

Other entries to date included: Colby Scroggins, Pasadena; Nick (Tiger) Valenta, Sepulveda; Parnelli Jones, Torrance; Paul Kamm, Salinas; Jim Hurtubise, Lennox; Jimmy Murphy, Inglewood; Mike Schmader, Covina; Jack Brunner, Gardena; Roger McCluskey, Tucson; Don Barnes, Phoenix; Hank Arnold, Tucson; Roy Prosser, Los Angeles; A. J. Shepherd, Wichita, Kans.; and Bay Area entries include Mike McMichaels, Art Shanoian, Pittman, Bill Sullivan, Jack Frost and Jerry Kincaid.

The first of the three 50-mile heats in the Monza type race starts promptly at 2 p.m., with the fastest qualifier at the pole for a straight-up start. The winning field will be reversed for the second 50 miles and the final heat will reverse the winners from the second.

Any driver, to win two sections, would have to pass at least 32 other cars.

Memorial Classic Rolls Tomorrow at Contra Costa

By JEAN McGUIRE

Johnny Franklin won his third of five main events so far this year at Contra Costa Speedway in Pacheco Saturday night.

This boosts him up to top point man in the race for BCRA championship.

Franklin, aided by two restarts, caught and passed front-running PeeWee Waybright of Oakland, who appeared headed for his first feature win of the year.

LEROY GEVING, of Pataluma is showing real style since his comeback after a broken leg, winding up in third place in the main.

Defending champion Wally Baker of Sacramento, plagued with engine trouble during the qualifying tests, didn't make the main event at all, but he managed to salvage some of his old glory by winning the 15 lap semi main event, the second heat, and the trophy dash.

Two other leaders in the point parade, Gene Dudley of Napa, and Carl Carr of San Francisco, missed the main event because of sour running engines. They'll be working overtime to prepare their cars for tomorrow night's marathon run.

Concord speedster Jack Huddleston set the fastest qualifying time for the evening with a score of 16.45 seconds. But was unable to tally up more than a four place in the fourth heat.

LEADFOOT MAYOR of Pleasant Hill, Jack Clayton, is continuing his weekly advancement up the point list. Clayton placed second in the first heat, third in the final, and held a steady third for half of the semi before being hit and spun out.

He worked his way back to sixth spot before the checker fell.

Clayton will be in a faster car next week, number 16, owned by Jim Curran of Oakland.

The same number 16, if you remember, in which "Hopalong" Herb Williams of Walnut Creek took that spectacular series of flips, in the consolation race. This was William's first appearance this season.

BOB HOOK of El Cerrito figured in another of the nine accidents that occurred last week. Hook was hit just after rounding the pit turn, and smashed with terrific force against the cement wall in front of the stands. He was taken to Kaiser Foundation Hospital.

Here are the point standings of the leaders up to date: Franklin, 211, Waybright, 161, Baker, 135, Carr, 125, Dudley, 111, Snow, 104, Humphers, 93, Green, 92, Gratriex, 88, Duval, 88, Montague, 80 Gingelli, 78.

Be sure you don't miss tomorrow night's Memorial show. It features a 100 lap main event, at no increase in prices.

ALSO FOR THOSE who may wish to sign up, the long awaited destruction derby is going to be held June 24.

Time trials tomorrow night 7:15, first race 8 p.m.

Wolves Outscore Matadors 8-5 In League Play

WOLVES OUTSCORE..... ....43-14b

The San Ramon Wolves defeated Miramonte's Matadors in a league ball game played at Orinda Thursday.

They outscored the Mats 8-5 over the seven inning route.

Mike Kyle, who relieved in the first for San Ramon, gave up six hits.

Both clubs hurt themselves in the error column as San Ramon had seven and Miramonte topped the Wolves with 10.

THE DANVILLE nine scored one run in the second, four in the third and three in the fifth.

Miramonte threatened with three runs in the fifth on four errors and a single by Vic Clarke.

They posted another two in the final but never did quite catch up.

Wayne Gilbert, with a triple, and Glen Miller with a single and double were San Ramon's big sticks.

Dave Rhoda and Clarke each had a pair of hits for Miramonte.

Batteries: San Ramon: Roger, Kyle (1) and K. Miller, Miramonte: Tonascia, Hancock (5) and Welch.

Scribe Takes on Track Rulings of State Confab

By IRWIN MATTSON

The local track lads had a bad day in the North Coast finals and few brought home the coveted awards.

One of the come-through artists was Tom Webb of Pleasant Hill who pulled a surprise when he copped a second in the 100-yard dash behind Berkeley High's great Leroy Whittle.

DIXON FARMER, Miramonte's pride and joy, came through with a win in his best event—the 440-yard dash.

Along with Pittsburgh's Vince Darone, who copped the high hurdles, Dixon probably has the best chance to be well up there if not winning in the track meet to be held at Bakersfield tonight.

* * * *

Track—for those who don't know—is the only sport in which there is a state meet.

This is something coaches and those interested in other activities find difficult to understand.

As a matter of comparison, the governing body—the California Interscholastic Federation (CIF) wouldn't even sponsor a North Coast wrestling meet!

IN THE coming state meet only varsity competition has been held in the past but this year special events have been added including a "C" class relay team!

* * * *

I, for one, don't feel that a state meet is wrong. Prejudiced as I am in favor of sports, I feel that more competition between leagues should be held.

YOU HAVE to learn to deal with competition in any field and the kids do a pretty good job of it with most of the problems coming from adults.

The CIF officials are inconsistent in their policies.

Their line of reasoning at times is difficult if not impossible to follow.

TRACK IS the Sacred Cow that apparently is the only sport that can get the "go" sign.

* * * *

The question arises: "Does the CIF rule track or does track rule the CIF?"

I WOULD be the first to agree that the Federation has done many fine and positive things for prep sports.

In view of these fine things it is difficult at times to understand the CIF officials' inconsistent rulings—of which there have been several.

Getting to a more pleasant—or to phrase it better—a **MOST** pleasant subject—Mike White was recently appointed Frosh Football coach at the University of California. He starred at the University in football, track and rugby as well as 145 basketball

Mike is a graduate of Acalanes and is a fine student and one who always gave top performances.

He is one of those kids who you point to with pride. He stands as an example to others because he made your life richer and better for having had the good fortune to work with him.

HE JOINS the select few of whom you can say, "It couldn't happen to a nicer guy."

The best of everything to another Contra Costa County boy who is on his way up!

Don Horsehiders Absorb Varsity Baseball League

The Acalanes varsity baseball team wound up the season last Tuesday with a 6-2 win over Miramonte, giving them the Foothill Division title with 11 wins and 1 loss in the season play.

Las Lomas took second (10-2) while San Ramon was third. Miramonte was fourth and Piedmont ended in the cellar.

MIKE KRITSCHER, on the mound for the Dons in the game played at the Acalanes field, tossed a one-hitter and collected a pair of hits with a double and a single to aid the winning game.

The Dons grabbed four runs in the second frame when George McMeans and Jim Holder were safe on errors.

Kritscher followed with a double to drive them both in.

Don Nelson ground out second to first to make it two down.

But Denny Toll went to first when hit with a pitched ball and stole second. Kritscher was on third.

BOB MARELLO lofted a ball in short center and all hands were running with the two down situation.

It paid a two-run dividend with Kritscher and Toll scoring as centerfielder Pete Yedida dropped the fly ball.

Miramonte put their two runs on the book in the fifth when Bob Welch and Yedida and Vic Clarke drew bases on balls.

Welch scored on a fielder's choice when Bruce Hancock grounded out on a force at second and Yedida tallied when Randy Young got his club's only hit on a sharp single to center.

Acalanes came up with their fifth run in the fifth frame when Gary Hansen drew a walk, stole second and tallied on an error by the shortstop on a throw to first.

Pleasant Hill Nine Raps Clayton Valley

Bob Casey, pitching his second straight shut-out, closed the door on Clayton Valley giving up but four hits while his teammates posted seven runs on seven hits. Final score, 7-0.

The game, played at Pleasant Hill, found each club making two errors.

THE RAMS got a cushion in the first time at bat as they scored a pair of runs.

The Rams nine added a big five runs for insurance in the third frame.

Pleasant Hill's Bill Locatelli was the game's top hitter—collecting a pair of safeties and a run batted in.

Volunteers End Swim Training

Mrs. George Heane, first aid chairman of the Greater Mt. Diablo Chapter, American Red Cross, recently announced completion of the First Aid Instructor's Course by nine volunteers.

Suburbia Scribblings

By MARIE MONAHAN

Gloomy Sunday, not so . . .

A MAY SUNDAY, it's face in the fog, the sun playing Hide-Seek & the countrysides curtained in drab drawbacks.

But a Gloomy Sunday, **NOT** so gloomy, when you take a ride . . . Out Moraga way, the Buckeye spikes in bloom, the VanGogh hues of the hills buttered w/mustard (yellow and Grandmother's Custard).

TWO small birds giving chase to a hawk who was raiding their nest & a fleet of redwings coming to roost in a yellow field. The Arighis, Mel & Gertrude, preoccupied with plants at the new Nursery & a young couple battling — over a badminton net — in their front yard Game of Love.

RHEEM Blvd. roadside, a white mother Burro & her baby . . . Quails crossing the road like nervous pedestrians . . . T-Bones Drive-In taking shape, its roof butterfly-shaped . . . Golfers out at Carroll Ranch, capped & cold, dotting the greens. Up Rohrer Drive & onto the windy dirt road, past a preening blue & green peacock, a platoon of ducks & geese out for a gander. Along a dry creek bed, past patches of wildflowers, serene & woodsy & finally up a sleek new paved road & the sight of an American Flag heralding guests to the official christening of the Jim Lucases new Dream Spot "Wildwood Acres".

When Good Fellows get together—

HERE, in a valley of vernal growth tucked in between the browning hills, a new resort, plastic yellow lanterns gaily strung across the spacious dance pavilion. At the canteen, members of the Lucas Clan interspersed w/friends & well-wishers who came from here & all pts. East & West of the bay area.

Randy & Denny Lucas ducking into the new pool, joined by more of the jeune fry who played ball, dove for pennies . . . The elders sitting sunning, toasting the Dream Come True of Jim & Tillie Lucas who planned this place for a long, long time.

Jim on the receiving hand of heavy handshakes, he wearing a straw hat, the brim turned up dashingly on one side, a yellow rosebud tucked in his shirt. Gina, w/plenty of hostess-help from her daughters Mary Ann & Judy, shouldering a white sweater over a blue embroidered cotton, her corsage for the opening of talisman roses.

After Toasts of punch & Beer on Tap (the latter drawn from a Fountain of Youth) guests looked around all the new corners . . . The clang of a well-aimed horseshoe, the sounds of moppets at play on the slides & swings.

A FAMILY AFFAIR with all the Lucas tribe enlisted for the day's activities. Gina & Dan Lucas, chef Albert Lucas at the Barbecue where the long line-up started at 5 for a wonderful Man-sized Meal taken on trays to red, yellow & blue picnic tables.

HERE, Bud & Wishy Sage w/their children, the Red Soules, Gene & Nancy Brookers, the Bob Wachsmirths the John Googins & John Ogdens, to name a few.

Wending home at twilight, a detour, climbing up to the top of Donald Drive where the view is magnifico, even in the fog. . . . Orinda spread-out & spacious, lying still & silent under an eerie blanket of gray, the coverlet of clouds seemingly suspended just over the tops of the trees & telegraph poles. Home to the hearth, a gloomy Sunday not so gloomy after all.

Late Stayer-uppers at this one

NOTES FROM A NIGHT OWL: Moragans capered at their annual Catered Affair at Carroll Ranch Last Sat. nite. — a 7:30 Happy Hour for the contingent of partygoers which included old friends as well as new — Early arrivals were Donna & Howard Preest, Don & Elsie Falconer, the gals being congratted on whipping the party in shape . . . Pretty Dee Davi sfetching comps for her modish frock of green & yellow print, over it a yellow jeweled sweater & yellow pumps to match . . . A new blue & pink print with floating panels worn by June Spaatz who w/her dghtr. Sue executed a professional Charleston later evening.

Singing Old & New Favorites around the piano played by Irene Rohrer & Don Warner taking turns, was another highlight of the gettogether . . . Bob Gilliland doing duties as the Song Leader. Brave enough for swimming, Dr. Dick Homrighausen who was cheered on by the Weaker Souls.

CARROLLING, too, were Marian & Frank Devin, Vange & Nick Nikels who were toasted Farewells as they soon move South, Dave & Mary Cotton, Jane & Ken McCampbell. Hank Spaatz talking that tall twosome Dawn & Chris Christiansen into joining he & June for breakfast as did a score more Sleepyheads.

Sentimental Journeys for Some

FOR THEIR 14th Wedding Annvy., Betty & Jim Irwin flew off to the Islands yesterday while the W. A. Sparlings are due back from their hiatus there. Ditto the F. W. Newachecks!

The Sheldon Allen's dghtr. Julie is bowing out as a Winter Ball Bud due to a late August departure for Europe w/her parents thence on to studies at the University of Madrid, Lucky Girl!

A SENTIMENTAL JOURNEY for Harriet Ainsworth. She flies off this week for a Class Reunion back on the campus of Ohio Wesleyan Univ. She'll meet her mother up from Florida & the two of them will revisit The Old Familiar Places.

Fran McBane was puzzled when a friend called her Sunday to congrat her on winning 3rd prize in the Familiar Scenes category of artwork entered in the 4th annual Pageant of Arts. She hadn't even known!! The oil, titled "Sleepy Hollow, Orinda" is the view from the McBane's Living Room window. You still have a few more days to view Doris Fraser's outstdg. portraiture on display at the Orinda Library.

LET THERE BE MUSIC, too . . . Like the Young People's Symphony performing last wknd. in the Berk. Community Theatre Glimpsed — Julie Newman on the string viol, Butch Guarneri on trumpet, (what else?), Allen Breed in the Clarinet section, Janice Twining on cello & Leslie Thompson sweet-noteing the flute, the young musicians all OURS!

MARVELOUSLY ATTENDED was this musical evening . . . Peg Winters w/the Sig Groennings (Peg's dghtr. an alumnus of this group) The DeLoss Winklers were there w/their son & dghtr. ditto Lois Flenner & son Don. Fran Newman attended alone (Frank being in NY) & applauding the talented performers too were Edith Breed & Millie Twining w/husband Fred. The latter lady whisked HIM right there from the SFairport.

Margo Corona, costumed regally as a Chinese Lady of the Court Up on her toes in "The Emperor's Nightingale" ballet chorographed by Raoul Pause . . . Alumni of the orchestral group incl. Jeff Neighbor, Bob Newman & Tom Brooks. How about a Symphony Sunday out HERE?

Close to it is tonight's Pops Concert at Miramonte — The Glee Club & orchestra to offer a variety of selections, some from the top Musical Comedies. Cheaper by the family at $1.50, just like a Drive-In — or Adult tkts. $1.00, fifty cents for children.

Democrats Will Attend EBMUD Bill Hearings

At the regular monthly meeting of the Executive Board, the Orinda-Moraga Democratic Club passed two resolutions.

One resolution favors the passage of A.B. 1463 and S.B. 865 concerned with the fluoridation of water.

The second resolution was concerned with the sale of lands by E.B.M.U.D.

A.B. 2713, co-authored by Assemblyman Jerome Waldie, restricts the sale of land over 15 acres without prior recommendations by the proper governmental agencies as to its recreational purposes.

Hilltop Club Tours Marin Art Center

The Hilltop Garden Club of Orinda toured the Marin Art and Garden Center in Ross, Marin County, last Wednesday.

It was the annual market day of the center, and club members were able to purchase hand made and art objects which were on sale.

The colorful booths were placed around the spacious grounds.

Folowing luncheon, which was served in the garden, the retiring president of the club, Mrs. C. O. Davey, introduced the new officers.

They are Mrs. Harold Hawes, president; Mrs. Charles Ward, vice-president; Mrs. Gordon Davidson, recording secretary; Mrs. J. P. Woods, corresponding secretary; Mrs. Francis See, treasurer.

Committee chairman have been appointed as follows: program, Mrs. Charles Ward; social, Mrs. Andre Roegiers; membership, Mrs. Ashton Smith; conservation, Mrs. A. P. Reck; publicity, Mrs. Bert Cole.

Meetings will be discontinued for the summer months.

The next meeting, with the new president presiding, will be held on the third Wednesday of September.

Maxine Anderson Wins Industry's Essay Contest

Maxine Anderson of Miramonte High School has been awarded a $50 savings bond as winner of this year's essay contest conducted by the chemical industry.

The competition was sponsored by the chemical industries activities committee for the chemical industries of eastern Contra Costa County.

At a recent ceremony Maxine was presented the prize by C. P. Matinger of The Mountain Copper Company.

Subject for this year's competition was "Chemistry in the Space Age."

Mast Ceremony Held by Girl Scout Mariners

The first semi-annual "Ceremony Before the Mast" was held by the Girl Scout Mariner Ship 61, The Dreadnaught, of Orinda, Tuesday at Lafayette School.

Senior Scout 5 pt. pins were awarded to Suzanne Arighi, Nancy Engelhard, Hester Harris and Maureen McConnell.

Mariner midshipmate ratings were awarded to Nancy Engelhard, Karen Fernsten, Hester Harris, Linda Rivers and Maureen McConnell.

Mrs. Mary Loveland, leader of Senior Troop 128, spoke on "Senior Girl Scouting."

Senior troops 128, 198, 402 and 61, of Orinda, reported on their year's activities.

THE SKIPPER'S trophy, for outstanding mariner, was awarded to Karen Fernsten.

Leadership equipment and assistance was rendered by the Lafayette Sea Scout Ship "Sea Wolf," skippered by Carroll Russell.

Those enjoying the program were the parents and friends of the crew and all eighth grade Girl Scouts of Orinda.

The Dreadnaught was chartered in December 1958, and is under the sponsorship of the Orinda Rotary Club.

Members of the crew include Mrs. Alysone de Laveaga, Skipper; Anne Haworth, Mate; Hester Harris, Linda Rivers, Kitty Mika, Maureen McConnell, Karen Fernsten, Suzanne Arighi, Nancy Engelhard and Carol McMillan.

Two Orinda Girls Are Stephens Grads

Norma Waddell and Natalie Pray are candidates for Associate in Arts degrees from Stephens College, Columbia, Mo.

Commencement exercises for the 126th graduating class at Stephens will be held Monday.

Miss Waddell is the daughter of Mr. and Mrs. Norman A. Waddell, 85 Lombardy Lane.

Miss Pray's parents are Mr. and Mrs. Gordon D. Pray, 104 Sleepy Hollow Lane.

Adult Center Planning Varied Summer Course

As in the past years special classes in furniture refinishing and upholstery will be offered only during the summer sessions at the Acalanes adult center.

By offering these classes during the summer adult school is able to take over the special facilities of the high schools needed to carry on these classes.

Furniture refinishing, under the instruction of Virgil Richberger, will specialize in furniture repair, finish removal, staining, and refinishing. This class will be held at Acalanes High School on Monday and Wednesday evenings from 7 to 10 p.m.

Upholstery, with George Dulas as instructor, will specialize in remodeling, rebuilding and upholstering furniture. This class will be held on Tuesday and Thursday evenings from 7 to 10 p.m. at Las Lomas High School in Walnut Creek. A Saturday section will be added if it is needed.

Other courses being offered again this summer will include art, cake decorating, ceramics and pottery, German conversation, millinery, swimming, typing, sewing and a special course for expectant parents titled preparation for child birth. This latter class will hold its first session June 18 at Las Lomas High School in the multi-purpose room and will consist of lectures by Doctors and specially prepared motion pictures as well as directed exercises.

Registration will begin the week of June 1 at the Adult Center office at Acalanes High School and will continue until the classes are filled. For further information call the Adult Center office, YE 5-0170.

Hadassah Will Raise Funds At Patio Party

Mermaids in the Moonlight is the theme for the fund-raising patio party to be given by Diablo Chapter of Hadassah at the lovely home of Mr. and Mrs. Bernard Kaplan, 4026 Canyon Road, Lafayette, June 13.

Cocktails will be served at 7:30 p.m. A catered buffet dinner will follow. The evening festivities will feature an aquacade presented by the Soltau Swim School group, and dancing to Jeff Neighbor's live combo.

It will be the first major fund raising affair for 1959 of this active group of Zionist supporters. Money raised will be used for the new Hadassah hospital and nurses training school to be opened next year in Israel.

Mrs. Aaron Bojarsky is chairman of the evening, with Mrs. Irving Green as co-chairman. Ladies assisting as various chairmen are the Mesdames Richard Lesser, Leonard Molofsky, Leonard Morgenstern, Mark Kermit, William Sawyer, Isador Perlman, Al Koch, Roger Cook and Walter Wilner.

Tickets may be obtained from Mrs. Bojarsky or any of the committee members.

Miss Teenager Has Date At Capwell's Next Week

Capwell's Walnut Creek will present its annual Miss High School Fashion Show June 6 at 2 p.m. in the Collegienne area on the second floor.

Three girls from each of 11 area high schools, making a total of 33 models, will participate in the event.

Young ladies modeling latest teen and collegienne fashions will include Julie Busch, Ann Evans and Margaret Thompson — all of Acalanes High School; Lynn Stoddard, Margaret Norman and Suzanne Stewart — all from Las Lomas High; and Linda Williams, Vicki McCosker, and Sue Jensen — all of Miramonte High School.

OTHERS modeling will include Katie Hill, Carol Redmond and Sandra Olsen — all of Pleasant Hill High School.

The eleven finalists will be announced immediately following the show at an open house Coke party in the training room area on the second floor.

One girl from each school participating will be chosen as a finalist and named to serve as a member of Capwell's High School Board.

The board selection will be based on an interview, the show, and a popularity poll among the participants themselves.

SERVING AS judges for the event will be Mrs. Stuart D. Lee, Jack Seymour and Mrs. Phyllis Slingsby.

Girls modeling will receive gift souvenirs as remembrances of their Capwell modeling careers. The eleven finalists will receive prizes — and also will serve as models in two other high school board shows planned by Capwell's this fall.

Diablo Chapter In Annual Meet

The Red Cross in Today's Changing Community will be the title of an address by Sheldon C. Williamson, assistant to the manager of the American Red Cross, Pacific Area, at the Greater Mt. Diablo Chapter's annual meeting Monday at 7 p.m.

The meeting will be held in the Nut Bowl in Pleasant Hill, according to Mrs. Arthur Hammonds, chapter president.

Election of officers for 1959-60 also will be held, and an annual report given on services extended during the past year.

The report will be presented by Karl Mahler, chapter manager.

Serving on the nominating committee are Robert Schroeder of Walnut Creek as chairman, and Mrs. Jack London of Lafayette and Mrs. Sidney Gordon of Orinda.

Dinner chairman is Mrs. E. H. Clark of Orinda. In charge of decorations is Mrs. Pua Chang of Walnut Creek assisted by Mrs. Lois Maher of Pleasant Hill.

County Issues $362,982 Worth Of Building OKs

Sixty-four industrial building permits issued in the Bay Area during the month of April showed a total valuation of $3,860,802, a sharp rise over he preceding month's 44 permits which came to $1,521,750, the Bay Area Council reported today.

April's upsurge in industrial investment, however, is still noticeably behind the April, 1957, figure of more than $6 million.

Alameda County with 13 permits, led in industrial building in April for a total expenditure of $1,737,000; Santa Clara was second in dollar value although permits totaled 32 in number.

In Contra Costa County, the value of industrial building permits totaled $362,982 in April, 1959, as compared to $79,378 in 1958, according to the council.

Permits issued for office building improved in value ($1,266,002) over the preceding year, but were far short of the $5 million figure for April, 1957.

Store investment, with a total of $2,032,851 dropped from the March total of $3,791,657, but showed improvement over last year's April figure of $1,888,053.

Auxiliary Tea Honors County Foster Mothers

The Contra Costa County Juvenile Hall Auxiliary honored all foster mothers of the county at a tea Thursday at 1 p.m. held at the Camp Fire Girls Hall, Jones and Estudillo Streets, in Martinez.

Auxiliary President Mrs. George Maxon of Lafayette opened the program with greeting and introductions.

Members of the board of directors hosted the affair.

Two units of the auxiliary, the Sugar Plums of Walnut Creek and the Crackerjacks of Lafayette, made up the hospitality committee

Under direction of Volunteer Unit chairmen, Mrs Virginia Erickson and Mrs Beryl Peterson, and teacher Mrs Lloyda Remick, the juvenile children of the Arts and Crafts unit made corsages for the foster mothers.

Comedy to Start Alcazar Run on Monday, June 8

Mail orders are now being received at the Alcazar Theater for the brief engagement of that exciting New York comedy hit "Once More, With Feeling" which opens at the Alcazar June 8. The regular box office sale of tickets will start Monday at 10 a.m.

Starring Fernando Lamas and Marjorie Lord, this new Kernitz play deals with an egocentric symphony conductor, and his wife Dolly whom he met and won when she was a harpist and he the musical director in a motion picture theater.

As the curtain rises, the two have been parted for three years. Dolly fled the maestro's evil baton when, in a characteristic tantrum, he put his foot through her harp and she retaliated by breaking over his head his album of Sibelius' Fifth Symphony.

AMORC Lodgs Tells Meeting

The Oakland Lodge of AMORC Rosicrucians, 263 12th Street, will hold its regular weekly convocation Wednesday, at 8 p.m.

William L. Watson, master, will read the June message of AMORC Grand Master Rodman R. Clayton. His title will be What is Pantheism?

A business meeting will follow. Refreshments will be served during the social hour following the meeting.

All national members are invited to attend.

A "milk habit" of three glasses each day promotes a healthier nervous system.
